GLOCK® 3D CUTAWAY MAT TEKMAT Safety Instructions

Introduction

Thank you for choosing the GLOCK® 3D Cutaway Mat Tekmat. This mat is designed to provide a safe and effective cleaning and repair surface for your Glock® handgun. Please read this safety instruction guide carefully to ensure safe use and maintenance of the product.

General Safety Guidelines

- Always use the mat on a stable and flat surface to prevent any accidents.
- Ensure that the handgun is unloaded before placing it on the mat.
- Avoid exposing the mat to extreme temperatures or direct sunlight for extended periods.
- Keep the mat away from sharp objects that may cause damage.
- Regularly inspect the mat for wear and tear. If any damage is found, discontinue use immediately.

Specific Safety Precautions for Use

- **Chemical Safety:** The neoprene rubber backing protects your work surface from chemicals. However, avoid using harsh chemicals on the mat itself. Clean with mild soap and water.
- **Child Safety:** This product is not intended for use by children. Keep the mat out of reach of children and supervise any adult activities involving firearms.
- **Gun Safety:** Always follow firearm safety rules. Treat every gun as if it is loaded, and ensure it is pointed in a safe direction while cleaning or repairing.

Instructions for Installation and Usage

1. Placement:

- Lay the mat flat on a clean, dry surface.
- Ensure it is free from any debris or sharp objects.

2. Using the Mat:

- Place your unloaded Glock® handgun on the mat.
- Use the cutaway design to visualize and access different parts of the handgun easily.
- Conduct cleaning and repair activities while ensuring that the area remains organized and free from distractions.

3. PostUse Care:

- After use, clean the mat with a damp cloth and mild soap if necessary.
- Allow the mat to air dry completely before storing.
- Store the mat rolled up or flat in a cool, dry place.

Disposal Instructions

- When the mat reaches the end of its useful life, dispose of it in accordance with local regulations for rubber and synthetic materials.
- Do not incinerate the mat as it may release harmful fumes.
