# Safety Instruction Guide for Hogue AR15/M16 Beavertail Rubber Grip

## Introduction

Thank you for choosing the Hogue AR15/M16 Beavertail Rubber Grip. This product is designed to enhance your shooting experience while ensuring safety and comfort. This guide provides essential safety instructions, precautions, and information to help you use this product effectively and responsibly.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grip.
- Keep the grip away from moisture and extreme temperatures to maintain its integrity.
- Regularly inspect the grip for signs of wear or damage. Replace it if any issues are found.
- Use the grip only for its intended purpose. Misuse can lead to accidents or injury.
- Store the grip in a safe place, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that your hands are clean and dry when handling the grip to prevent slippage.
- Avoid using the grip if you have any known allergies to rubber or related materials.
- Be aware of your surroundings while using the firearm equipped with this grip to prevent accidents.
- Do not modify the grip in any way, as this may compromise its safety features.
- Always follow the firearm manufacturer's guidelines regarding grip compatibility and usage.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Grip:** If applicable, carefully remove the existing grip using the appropriate tools.
3. **Align the New Grip:** Position the Hogue Beavertail Grip onto the firearm's frame, ensuring that it aligns correctly with the mounting points.
4. **Secure the Grip:** Use the provided screws or fasteners to attach the grip securely. Do not overtighten, as this may damage the grip or firearm.
5. **Final Check:** Once installed, check that the grip is firmly attached and does not move when pressure is applied.

### Usage

- Hold the firearm with a firm grip using the Hogue Beavertail Grip, ensuring that your fingers are positioned correctly for optimal control.
- Practice proper shooting techniques to maximize the benefits of the grip.
- Regularly clean the grip with a mild soap solution and dry it thoroughly to maintain its condition.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding rubber products.
- Do not burn the grip, as this may release harmful chemicals.
- If the grip is damaged beyond use, consider recycling it if possible, or dispose of it in a designated waste facility.

## **Contact Information for Further Support**

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Hogue AR15/M16 Beavertail Rubber Grip. Thank you for prioritizing safety and responsible usage.
