[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

DuPont Extreme Temperature Glass Reinforced Polymer Matte black finish  
Weight: 26 ounces Ventilated forearm and hand guard Pistol grip with ambidextrous thumb through the stock Built in cheek rest Two sling swivel studs Easy drop-in installation Scratch resistant Weatherproof Lifetime manufacturer's warranty Fits Marlin Model 60, 75, 990, etc. Tube or Detachable Mag Models .22LR. Will not fit the Marlin 795 Dress up your Marlin rifle with the Advanced Technology Marlin Fiber Force Stock and shoot better at the same time. The Marlin Fiber Force Stock features a ventilated forearm and hand guard for a cooler barrel. It weighs only 26 ounces, which makes your rifle more comfortable to carry in the field. The ambidextrous pistol grip has a thumb through the stock feature for a solid grip and has a cheek rest built in the comb for that all-important shooting weld. Two sling swivel studs are built in the stock for easy sling attachment. The Marlin Fiber Force Stock is made of DuPont's Extreme Temperature Glass Reinforced Polymer and has a matte black finish to reduce glare. It is easy to install, scratch resistant, weatherproof, and comes with a lifetime manufacturer's warranty.

# MARLIN 60 FIBERFORCE STOCK SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Advanced Technology Marlin 60 Fiberforce Stock. This guide is designed to provide you with important safety information, installation instructions, and usage guidelines to ensure your experience is safe and enjoyable. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the product is compatible with your firearm model (Marlin Model 60, 70, 990, etc.) before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the stock away from children and unauthorized users.
- Inspect the stock for any damage before each use. Do not use if damaged.
- Store the stock in a safe, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or handling the stock.
- Use the stock only as intended; improper use may lead to injury or damage.
- Maintain a firm grip when using the ambidextrous pistol grip to prevent slipping.
- Avoid using the stock in extreme weather conditions that may affect its performance.
- Be cautious of the weight (26 ounces) when carrying the firearm in the field.
- Ensure sling attachments are secure before use to prevent accidents.

## Instructions for Installation and Usage

### Installation Instructions

1. **Unpack the Stock:** Carefully remove the stock from its packaging and inspect for any damage.
2. **Prepare the Firearm:** Ensure that your Marlin rifle is unloaded and pointed in a safe direction.
3. **Remove the Old Stock:** If applicable, detach the original stock from the rifle according to the manufacturer's instructions.
4. **Install the Fiberforce Stock:**
  - Align the Fiberforce stock with the receiver of the rifle.
  - Slide the stock into place until it is firmly seated.
  - Secure the stock using the appropriate screws or fasteners provided.
5. **Check Installation:** Ensure that the stock is securely attached and does not wobble.

### Usage Instructions

- When using the rifle, maintain a proper shooting stance and ensure a solid grip on the pistol grip.
- Use the builtin cheek rest for improved sight alignment and shooting comfort.
- Utilize the ventilated forearm and hand guard to maintain a cooler barrel during extended shooting sessions.
- Attach your sling to the builtin swivel studs for easier carrying.

## **Disposal Instructions**

- Dispose of the stock responsibly in accordance with local regulations.
- If the stock is no longer usable, consider recycling materials where possible.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety or installation, please refer to the manufacturer's contact information included with the product packaging or visit the manufacturer's official website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Advanced Technology Marlin 60 Fiberforce Stock. Stay safe and responsible.
