

# HK417® COMPLETE BOLT ASSEMBLY 7.62MM NATO - BROWNELLS

## HK417 COMPLETE BOLT ASSEMBLY, 7.62MM NATO

[Rifle Parts](#) > [Bolt Parts](#) > [Bolts](#)

### Crucial Components for Your HK Homage Rifle

One of the most-crucial components needed to complete a build of a Heckler & Koch HK417 rifle build is the complete bolt assemblies used on the rifle. Some might even be looking for replacement components to keep their original HK417 running. For that, the Brownells HK417 Complete Bolt Assembly is available. Machined entirely in the USA from 9310 steel, the Brownells HK417 Complete Bolt Assembly is designed for use with 7.62 NATO and includes the dual extractors and extractor found on the factory-made HK417 bolt. The bolt, extractors and extractor are all finished with the correct nickel-Teflon finish, making it the perfect piece to finish off a correct HK417.

# HK417® Complete Bolt Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the HK417® Complete Bolt Assembly. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the HK417® Complete Bolt Assembly is installed by a qualified gunsmith or individual with proper training.
- Always handle firearms safely and responsibly.
- Keep the assembly and all firearm components out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Regularly inspect the assembly and your firearm for any signs of wear or damage before use.
- If you experience any malfunctions or issues during use, cease operation immediately and consult a professional.

## Specific Safety Precautions for Use

- Use only with firearms designed for the 7.62mm NATO cartridge.
- Verify that your firearm is unloaded before installation or maintenance.
- Follow the manufacturer's instructions for your specific firearm model.
- Avoid using any aftermarket parts or modifications that are not approved for use with the HK417®.
- Do not attempt to disassemble the bolt assembly unless you are trained and familiar with the process.
- Be aware of the potential for a malfunction if the assembly is not installed correctly.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and controlled environment.
- Gather all necessary tools and equipment for installation.
- Make sure the firearm is completely unloaded.

### 2. Installation:

- Remove the existing bolt assembly from the firearm according to the manufacturer's instructions.
- Carefully insert the HK417® Complete Bolt Assembly into the firearm, ensuring it is seated correctly.
- Follow the manufacturer's guidelines for securing the assembly in place.

### 3. Usage:

- Once installed, conduct a function check to ensure proper operation.
- Always follow standard operating procedures for your firearm during use.
- Maintain situational awareness and ensure a safe shooting environment.

### 4. PostUsage:

- After use, clean and inspect the bolt assembly and firearm.

- Store the firearm and assembly in a secure location when not in use.

## **Disposal Instructions**

- Dispose of any damaged or obsolete components in accordance with local regulations.
- Do not dispose of the assembly in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries and support regarding the HK417® Complete Bolt Assembly, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines and instructions, you can help ensure the safe use and longevity of your HK417® Complete Bolt Assembly. Thank you for your attention to safety.
