# 1911 Plunger Detent Assembly Safety Instructions

## Introduction

Thank you for choosing the 1911 Plunger Detent Assembly by Brownells. This product is designed for the 1911 Auto and is manufactured with high quality U.S. made materials. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- **Product Safety:** Ensure that the product is used only as intended. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided to receive a remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as per EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction.
  - Using incompatible parts can compromise safety and functionality.
- **Avoiding Hazards:**
  - Always ensure that the assembly is installed correctly according to the instructions.
  - Do not modify or alter the assembly in any way.
  - Inspect the assembly for any signs of damage before use.
- **Age Specific Warnings:**
  - This product is intended for adult use only. Keep it away from children and unauthorized users.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your firearm is unloaded and the safety is engaged before beginning installation.
  2. Remove the old plunger detent assembly if applicable.
  3. Carefully install the new plunger detent assembly, ensuring that all components are securely in place.
  4. Verify that the Slide Stop Plunger, Safety Lock Plunger, and Plunger Spring are correctly positioned.
  5. Test the functionality of the assembly before using the firearm.
- **Usage:**
  - After installation, regularly check the assembly for proper function and wear.
  - If you experience any issues, consult a qualified gunsmith for assistance.
  - Follow all manufacturer guidelines for the safe operation of your firearm.

## **Disposal Instructions**

- Dispose of any old or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For additional information or support regarding the 1911 Plunger Detent Assembly, please refer to the contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 Plunger Detent Assembly. Thank you for your attention to safety and compliance.
