

# SHORT CHAMBERED MAUSER BARREL - BROWNELLS MAUSER SHORT CHAMBERED BARREL, 6.5X55MM, 1-9 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

## High Quality, Value Priced, Ready To Install

At last! Factory grade, ready-to-install, 4140 chrome moly barrels in popular calibers at a price that puts a custom-built sporter on a Mauser 98 action within everyone's reach. Compact, 24" length is great for fast-handling hunting rifles. Stress-relieved, button-rifled, right-hand twist barrels are short chambered, crowned, and fully threaded. All you have to do is finish chambering, set the headspace, and polish and blue the exterior.

# Safety Instruction Guide for the Short Chambered Mauser Barrel

## Introduction

Thank you for choosing the Short Chambered Mauser Barrel from Brownells. This guide provides important safety information and instructions to ensure proper use and installation of your new barrel. Please read this manual carefully before use to ensure safety and compliance with EU regulations.

## General Safety Guidelines

To ensure safe use of the Short Chambered Mauser Barrel, please follow these guidelines:

- Always handle firearms and firearm components with care.
- Ensure that the barrel is installed on a compatible Mauser 98 action.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Never attempt to modify or alter the barrel beyond its intended use.
- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Store the barrel in a secure location when not in use.

## Specific Safety Precautions for Use

When using the Short Chambered Mauser Barrel, please observe the following precautions:

- Ensure the firearm is unloaded before installation or maintenance.
- Verify that the barrel is compatible with the ammunition you plan to use (6.5 x 55 mm Swedish Mauser).
- Be cautious of the barrel's weight (2.8 lbs) when handling.
- Follow all local laws and regulations regarding firearms and firearm components.
- Use the barrel only for its intended purpose—hunting or sporting applications.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

Follow these steps for proper installation and use of the Short Chambered Mauser Barrel:

### 1. Preparation:

- Ensure you have the necessary tools for installation, including a barrel vise and action wrench.
- Clean the action and ensure it is free of debris.

### 2. Installation:

- Secure the Mauser 98 action in a barrel vise.
- Align the Short Chambered Mauser Barrel with the action and thread it onto the action.
- Tighten the barrel to the manufacturer's specifications (1.1"12tpi; Vtype thread).
- Finish chambering the barrel according to your specific requirements.

### 3. Setting Headspace:

- Use appropriate gauges to set the headspace correctly.
- Ensure that headspace is within safe limits for the chosen ammunition.

### 4. Finishing:

- Polish and blue the exterior of the barrel as desired.
- Inspect the barrel for any defects or issues before use.

#### **5. Usage:**

- Load the firearm with the appropriate ammunition.
- Always follow safe shooting practices and be aware of your surroundings.

## **Disposal Instructions**

When it is time to dispose of the Short Chambered Mauser Barrel, follow these guidelines:

- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.
- Ensure that any disposed parts are rendered unusable to prevent unauthorized use.

## **Contact Information for Further Support**

For inquiries regarding safety, installation, and usage of the Short Chambered Mauser Barrel, please refer to the EU contact point provided by the manufacturer.

## **Conclusion**

By following the safety guidelines and instructions outlined in this manual, you can ensure a safe and enjoyable experience with your Short Chambered Mauser Barrel. Always prioritize safety and compliance with local laws when handling firearms and their components. Thank you for your attention to these important safety measures.
