

SHORT CHAMBERED MAUSER BARREL - BROWNELLS MAUSER SHORT CHAMBERED BARREL, 308 WINCHESTER, 1-10 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

High Quality, Value Priced, Ready To Install

At last! Factory grade, ready-to-install, 4140 chrome moly barrels in popular calibers at a price that puts a custom-built sporter on a Mauser 98 action within everyone's reach. Compact, 24" length is great for fast-handling hunting rifles. Stress-relieved, button-rifled, right-hand twist barrels are short chambered, crowned, and fully threaded. All you have to do is finish chambering, set the headspace, and polish and blue the exterior.

Safety Instruction Guide for the Short Chambered Mauser Barrel

Introduction

Thank you for choosing the Short Chambered Mauser Barrel from Brownells. This guide provides essential safety instructions and information to ensure the safe use and installation of your new barrel. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations regarding firearms and firearm components.
- Always handle firearms, including barrels, with care and respect. Treat every firearm as if it is loaded.
- Store the barrel and any firearm components in a secure location, out of reach of children and unauthorized individuals.
- Regularly inspect the barrel for any signs of damage or wear before installation or use.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling or installing firearm components.
- Familiarize yourself with the specific firearm model and its operation before attempting to install or use the barrel.

Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your Mauser 98 action before installation.
- Verify that the chambering and headspace are correctly set to avoid dangerous malfunctions.
- Use only approved .308 Winchester ammunition with the installed barrel.
- Avoid using reloaded or damaged ammunition, as these can cause serious injuries or damage to the firearm.
- Do not modify the barrel or any firearm components in any way that could compromise safety.
- Always keep the muzzle pointed in a safe direction during installation and handling.
- Never attempt to fire a firearm with an improperly installed barrel.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment for installation, including a chambering reamer and headspace gauges.
- Ensure that your workspace is clean and free from distractions.

2. Installation:

- Carefully remove the barrel from its packaging and inspect it for any visible defects.
- Follow the manufacturer's instructions for finishing the chambering of the barrel.
- Set the headspace according to the specifications for the Mauser 98 action.
- Once properly chambered and headspaced, polish and blue the exterior of the barrel as desired.

3. PostInstallation Check:

- After installation, conduct a thorough inspection of the firearm to ensure that all components are securely attached and functioning correctly.
- Perform a function check to verify that the firearm operates as intended.

4. Usage:

- Always adhere to safe shooting practices when using the firearm.
- Regularly clean and maintain the barrel to ensure optimal performance and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling and waste disposal regulations.
- If the barrel becomes damaged or is no longer usable, consult local guidelines for the safe disposal of firearm components.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Short Chambered Mauser Barrel, please refer to the manufacturer's website or contact their customer support team.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Short Chambered Mauser Barrel. Always prioritize safety and responsibility when handling firearms.
