

SHORT CHAMBERED MAUSER BARREL - BROWNELLS MAUSER SHORT CHAMBERED BARREL, 25-06 REMINGTON, 1-10 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

High Quality, Value Priced, Ready To Install

At last! Factory grade, ready-to-install, 4140 chrome moly barrels in popular calibers at a price that puts a custom-built sporter on a Mauser 98 action within everyone's reach. Compact, 24" length is great for fast-handling hunting rifles. Stress-relieved, button-rifled, right-hand twist barrels are short chambered, crowned, and fully threaded. All you have to do is finish chambering, set the headspace, and polish and blue the exterior.

Safety Instruction Guide for SHORT CHAMBERED MAUSER BARREL

Introduction

Thank you for choosing the Brownells Short Chambered Mauser Barrel. This guide provides essential safety instructions and information to ensure the safe use and installation of your new barrel. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model.
- Always handle firearms and their components with care and in accordance with local laws and regulations.
- Store the barrel in a safe, dry place away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Follow all safety precautions as outlined in your firearm's manual.

Specific Safety Precautions for Use

- Only use the barrel with compatible Mauser 98 actions.
- Ensure that the barrel is correctly chambered and headspaced before use.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools for installation, including a barrel vise, action wrench, and headspace gauges.
- Ensure the workspace is clean and free from distractions.

2. Installation:

- Secure the Mauser 98 action in a barrel vise.
- Carefully remove the existing barrel from the action using an action wrench.
- Clean the threads on the action and the new barrel to ensure a proper fit.
- Install the new barrel by threading it onto the action until it is snug.
- Use headspace gauges to check the headspace and adjust as necessary.

3. Finishing:

- Once the barrel is installed and headspace is set, polish and blue the exterior as desired.
- Ensure all tools are removed from the workspace before handling the firearm.

4. Safety Check:

- After installation, perform a thorough safety check of the entire firearm before shooting.
- Ensure that the barrel is properly secured and that there are no obstructions.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel is damaged beyond repair, contact a local firearms disposal service to ensure safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your Brownells Short Chambered Mauser Barrel, please consult your local firearms expert or dealer.

Thank you for prioritizing safety and responsible use. Enjoy your new barrel!
