

SHORT CHAMBERED MAUSER BARREL - BROWNELLS MAUSER SHORT CHAMBERED BARREL, 30-06 SPRINGFIELD, 1-10 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

High Quality, Value Priced, Ready To Install

At last! Factory grade, ready-to-install, 4140 chrome moly barrels in popular calibers at a price that puts a custom-built sporter on a Mauser 98 action within everyone's reach. Compact, 24" length is great for fast-handling hunting rifles. Stress-relieved, button-rifled, right-hand twist barrels are short chambered, crowned, and fully threaded. All you have to do is finish chambering, set the headspace, and polish and blue the exterior.

Safety Instruction Guide for SHORT CHAMBERED MAUSER BARREL

Introduction

Thank you for choosing the SHORT CHAMBERED MAUSER BARREL from BROWNELLS. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your barrel. Please read this document carefully before use.

General Safety Guidelines

- Always handle the barrel with care to prevent injury.
- Ensure that you are familiar with the firearm it will be installed on.
- Follow all local, state, and federal laws regarding firearms and their components.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Inspect the barrel for any visible defects before installation.
- Use protective gear, such as safety glasses and gloves, when handling the barrel.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to firearm malfunction.
 - Failure to properly chamber the barrel may result in dangerous firing conditions.
- **Instructions to Avoid Hazards:**
 - Ensure the barrel is properly chambered before use.
 - Always check headspace after installation.
 - Do not attempt to modify the barrel without proper knowledge and tools.
- **Age Specific Warnings:**
 - This product is intended for use by individuals 18 years of age and older.
 - Ensure that only qualified individuals handle and install the barrel.

Instructions for Installation and Usage

- **Installation Steps:**
 1. Ensure that the firearm is unloaded and the action is open.
 2. Remove the existing barrel from the Mauser 98 action.
 3. Install the SHORT CHAMBERED MAUSER BARREL onto the action.
 4. Finish chambering the barrel according to the manufacturer's specifications.
 5. Set the headspace using appropriate gauges.
 6. Polish and blue the exterior of the barrel as desired.
- **Usage Guidelines:**
 - After installation, conduct a thorough inspection of the firearm.
 - Test fire in a safe and controlled environment.
 - Always follow proper firearm safety rules during operation.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If the barrel is no longer in use, consider recycling or disposing of it at a designated facility that handles metal recycling.

Contact Information for Further Support

For safety inquiries or further assistance, please consult the product packaging or visit the manufacturer's website for contact details.

By adhering to these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your SHORT CHAMBERED MAUSER BARREL. Thank you for your attention to safety.
