## Durable Double Stack Mag for Glock

Constructed of a proprietary polymer, these durable PMAG® GL9® magazines fit 9mm Glock® 17 handguns, including Gen 4 models. Reinforced feed lips, a stainless-steel spring and a high visibility anti-tilt follower ensure reliable feeding. Pushbutton release on the floorplate allows the magazine to be easily disassembled without tools. Floorplate also has a pen dot matrix on the bottom for marking and identifying magazines. The GL9 consistently drops clear and free when released; loaded or empty. 17 GL9 fits flush at the base of the Glock® 17 grip, with some minor protrusion on compact and subcompact models. Available in 17 and 10 round capacities.

# **Safety Instruction Guide for PMAG® GL9® 9X19 MAGAZINE FOR GLOCK® 17**

## **Introduction**

Thank you for choosing the PMAG® GL9® 9X19 Magazine for your Glock® 17. This safety instruction guide provides essential information to ensure the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that the magazine is used only with compatible Glock® 17 handguns.
- Always check the magazine for any visible damage before use.
- Keep the magazine out of reach of children and unauthorized users.
- Store the magazine in a cool, dry place away from direct sunlight.
- Regularly inspect the magazine for signs of wear or malfunction.
- Report any unsafe products or accidents to local authorities.

## **Specific Safety Precautions for Use**

- Always ensure that the handgun is unloaded before inserting or removing the magazine.
- Do not attempt to modify the magazine in any way.
- Use only the recommended ammunition (9 mm Luger) with this magazine.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- When loading the magazine, do so in a safe environment, away from people and animals.
- If you experience feeding issues, cease use and inspect the magazine for damage.

## **Instructions for Installation and Usage**

### **1. Loading the Magazine:**

- Hold the magazine with the feed lips facing upwards.
- Insert the first round by pushing it down into the magazine until it clicks into place.
- Continue loading rounds one at a time until the magazine is full (17 rounds).
- Ensure that the rounds are seated properly and are not tilted.

### **2. Inserting the Magazine into the Handgun:**

- Ensure the handgun is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the Glock® 17.
- Push the magazine firmly into the magazine well until it clicks into place.

### **3. Removing the Magazine:**

- Press the pushbutton release on the floorplate to disengage the magazine.
- Pull the magazine out of the magazine well while keeping the handgun pointed in a safe direction.

### **4. Disassembling the Magazine:**

- To disassemble the magazine for cleaning, press the pushbutton release on the floorplate.
- Remove the floorplate and carefully take out the spring and follower.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, ensure it is rendered inoperable before disposal.
- Recycle materials whenever possible, following the guidelines set by local waste management authorities.

## **Contact Information for Further Support**

For any questions or concerns regarding the PMAG® GL9® 9X19 Magazine, please refer to the official MAGPUL website or contact your local distributor for assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your PMAG® GL9® 9X19 Magazine. Thank you for your attention to safety.
