TACTICAL RIFLE CASE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Brownells Tactical Rifle Case. This guide provides essential safety instructions to ensure the safe and effective use of your rifle case. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the rifle case is used only for its intended purpose: storing and transporting rifles.
- Always check the case for any visible damage before use. Do not use a damaged case.
- Store the rifle case in a cool, dry place away from direct sunlight and moisture.
- Keep the case out of reach of children and pets to prevent accidents.
- Regularly inspect the case for wear and tear, especially the zippers and padding.
- If you notice any issues, cease use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- **Water Resistance:** While the case is waterresistant, it is not waterproof. Avoid exposing the case to heavy rain or submerging it in water.
- **Heat Resistance:** The inner lining is heat resistant. However, do not place hot items inside the case to prevent damage to the lining.
- **Padding:** The case features thick, soft padding. Ensure that your rifle is securely placed to prevent movement during transport.
- **Zipper Use:** Use the #8 deluxe zipper carefully. Do not force the zipper if it is stuck, as this may cause damage.
- **Magazine Pouches:** Utilize the extra magazine pouches with Velcro flaps for safe storage. Ensure magazines are unloaded before placing them in the pouches.

Instructions for Installation and Usage

1. Placing Your Rifle in the Case:

- Open the case fully and lay it flat.
- Carefully place your rifle in the designated area, ensuring it is positioned securely.
- Ensure that the rifle does not touch the zippers or edges of the case.

2. Using the Zippers:

- Start zipping from one end of the case and work your way to the other end.
- Do not pull the zipper too hard to avoid breaking it.

3. Storing Magazines:

- Place unloaded magazines in the designated pouches.
- Secure the Velcro flaps to keep magazines in place.

4. Transporting the Case:

- Use the handles or shoulder strap to carry the case.
- Ensure that the case is balanced and not overloaded.

Disposal Instructions

- Dispose of the case in accordance with local regulations for nonhazardous waste.
- If the case is damaged beyond repair, consider recycling materials where possible.
- Do not burn the case, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Tactical Rifle Case, please contact the manufacturer directly. Ensure you have your product details on hand for reference.

Thank you for prioritizing safety while using your Brownells Tactical Rifle Case. Enjoy your experience!
