**BROWNELLS MAGNA-TIP SUPER SET BITS** The Brownells Magna-Tip Super Set Bits are meticulously crafted for gunsmiths and firearm enthusiasts who demand precision and reliability in their tools. Each bit is made from hardened steel and features a hollow-ground design, ensuring a perfect fit in slotted screws and maximizing torque application. This design is particularly effective for loosening seized screws without causing damage. Key Features: **Hardened Steel Construction:** Provides exceptional durability and longevity, suitable for rigorous use in firearm maintenance. **Hollow-Ground Design:** Ensures a precise fit in slotted screws, allowing for maximum torque application and reducing the risk of cam-out or screw damage. **Versatile Compatibility:** Designed to work seamlessly with Brownells Magna-Tip handles, offering flexibility and ease of use across various firearm applications. **Specifications:** Bit Sizes: Available in various sizes to accommodate a wide range of screw slot dimensions. **Material:** Hardened steel with a hollow-ground tip. **Customer Insights:** Our customers highly value the Brownells Magna-Tip Super Set Bits for their precision and durability. The hollow-ground design provides a secure fit in screw slots, preventing slippage and potential damage during firearm maintenance. The compatibility with Magna-Tip handles enhances versatility, making these bits a staple in many gunsmiths' toolkits. Incorporating the Brownells Magna-Tip Super Set Bits into your firearm maintenance routine ensures you have the right tools to perform tasks with precision and confidence. Their specialized design and robust construction make them essential for achieving professional results in gunsmithing.

# MAGNATIP SUPER SET BITS Safety Instruction Guide

## Introduction

Thank you for choosing the Brownells MagnaTip Super Set Bits. These tools are designed for gunsmiths and firearm enthusiasts who require precision and reliability. This safety instruction guide provides essential information to ensure the safe use of these bits, complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MagnaTip Super Set Bits by following all guidelines. These bits are designed to minimize risks associated with firearm maintenance.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. Free remedies will be provided for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU-based contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Use Properly:** Always use the MagnaTip Super Set Bits as intended for firearm maintenance. Do not use them for any other purpose.
- **Inspect Before Use:** Check the bits for any signs of damage or wear before use. Do not use damaged bits.
- **Wear Safety Gear:** Use appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes during use.
- **Keep Out of Reach:** Store bits in a secure location, out of reach of children and pets.
- **Avoid OverTorquing:** Do not apply excessive force when using the bits to prevent damage to the screws or bits.
- **Use Compatible Handles:** Ensure that the bits are used with compatible Brownells MagnaTip handles for optimal performance and safety.

## Instructions for Installation and Usage

1. **Select the Correct Bit:** Choose the appropriate size of the MagnaTip bit for the screw you will be working on.
2. **Insert the Bit into the Handle:** Securely insert the chosen bit into the Brownells MagnaTip handle.
3. **Align the Bit with the Screw:** Position the bit directly over the screw head, ensuring a proper fit.
4. **Apply Torque:** Gradually apply torque while turning the handle. Avoid using excessive force to prevent stripping the screw or damaging the bit.
5. **Remove the Screw:** Once the screw is loosened, carefully remove it without applying unnecessary force.
6. **Clean and Store:** After use, clean the bits to remove any debris and store them in a safe place.

## Disposal Instructions

- **Dispose Responsibly:** When the bits reach the end of their service life, dispose of them in accordance with local regulations for metal waste.

- **Do Not Throw in Regular Trash:** Avoid disposing of bits in regular household waste. Check for local recycling programs for metal tools.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Brownells MagnaTip Super Set Bits, please refer to the appropriate contact point as indicated on the product packaging or documentation.

Thank you for prioritizing safety while using the Brownells MagnaTip Super Set Bits. By following these guidelines, you can ensure a safer and more effective experience in your firearm maintenance tasks.
