# Safety Instruction Guide for REMINGTON 1100/1187 Gas ORings

## Introduction

Thank you for choosing the REMINGTON 1100/1187 Gas ORings. This product is designed to enhance the performance of your shotgun by providing a reliable barrel seal. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that all users of this product are familiar with shotgun safety practices.
- Always handle firearms with care and treat them as if they are loaded.
- Store this product in a safe place, out of reach of children.
- Regularly check for wear and tear on the ORings and replace them as necessary.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the ORings if they show signs of damage or deterioration.
- Ensure that the ORings are compatible with your shotgun model before installation.
- Do not exceed the recommended gauge and specifications when using these ORings.
- Always follow the manufacturer's instructions for your shotgun to ensure safe operation.
- If you experience any malfunctions while using your shotgun, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

### 2. Installation:

- Remove the existing ORing from the barrel if applicable.
- Clean the barrel area where the ORing will be installed to ensure a proper seal.
- Carefully place the new ORing onto the barrel, ensuring it sits evenly in the designated groove.
- Inspect the installation to confirm that the ORing is properly seated.

### 3. Usage:

- After installation, perform a function check to ensure that your shotgun operates correctly.
- Monitor the performance of the ORing during use. If you notice any issues, stop using the shotgun immediately.
- Regularly inspect the ORing for signs of wear and replace if necessary.

## Disposal Instructions

- Dispose of old or damaged ORings in accordance with local regulations.
- Do not dispose of ORings in a manner that could pose a risk to the environment or wildlife.
- Consider recycling options where available.

## Contact Information for Further Support

For any inquiries regarding the safety and performance of the REMINGTON 1100/1187 Gas ORings, please consult the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy using your shotgun responsibly and safely!
