**BROWNELLS CLASSIC ALL-PURPOSE TOOL BOX** The Brownells Classic All-Purpose Tool Box is a spacious and durable field toolbox designed to accommodate all essential gunsmithing tools. Featuring the Brownells logo, this oil and solvent-proof box ensures that your tools remain organized and protected during transport and use. Description and Features: Crafted from robust ABS polymer, the toolbox offers ample space to hold all kit tools, with additional room for personal favorites. Its oil and solvent-proof construction ensures durability and longevity, making it ideal for field use. The box is adorned with the Brownells logo, adding a touch of authenticity and style. Specifications: Material: ABS Polymer Color: Gray Compatibility: Designed to accommodate a variety of gunsmith essential tools Dimensions: 15"x7.5"x5" Customer Insights: Customers appreciate the roomy interior of the toolbox, noting that it comfortably holds all necessary tools with space to spare for additional items. The oil and solvent-proof feature is particularly valued, as it maintains the box's integrity and appearance even after exposure to common cleaning agents. The inclusion of the Brownells logo is also a favored aesthetic touch among customers. Incorporating the Brownells Classic All-Purpose Tool Box into your gunsmithing gear ensures that your tools are securely stored and protected, whether you're in the workshop or out in the field. Its durable construction and thoughtful design make it an essential accessory for all your go-to gunsmithing tools.

# Brownells Classic AllPurpose Tool Box Safety Instructions

## Introduction

Thank you for choosing the Brownells Classic AllPurpose Tool Box. This toolbox is designed to securely store and protect your essential gunsmithing tools. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the toolbox is used only for its intended purpose: storing and transporting gunsmithing tools.
- Regularly inspect the toolbox for any signs of damage or wear. Do not use if damaged.
- Keep the toolbox out of reach of children to prevent accidents and misuse.
- Avoid exposing the toolbox to extreme temperatures or direct sunlight for prolonged periods, as this may affect its integrity.
- If using solvents or oils, ensure they are compatible with the toolbox material to maintain its durability.

## Specific Safety Precautions for Use

- Always close the toolbox securely when not in use to prevent tools from falling out during transport.
- When opening the toolbox, do so carefully to avoid any tools falling out and causing injury.
- Do not overload the toolbox beyond its intended capacity, as this may compromise its structural integrity.
- Store sharp tools with caution, ensuring they are positioned safely to prevent accidental cuts or injuries.
- Follow the manufacturer's instructions for the proper use of each tool stored within the toolbox.

## Instructions for Installation and Usage

### • Installation:

- No assembly is required for the Brownells Classic AllPurpose Tool Box. It is ready to use upon purchase.

### • Usage:

- Place the toolbox on a stable, flat surface when accessing tools.
- Organize tools inside the toolbox to ensure easy access and prevent clutter.
- When transporting the toolbox, use both hands to maintain control and stability.
- For cleaning, use a damp cloth with mild soap. Do not use abrasive cleaners that may scratch the surface.

## Disposal Instructions

- Dispose of the toolbox responsibly at an authorized recycling center or according to local regulations for plastic waste.
- Do not incinerate the toolbox, as it may release harmful fumes.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Brownells Classic AllPurpose Tool Box, please reach out to the designated EU contact point provided with your purchase.

Please ensure to follow these safety instructions to maximize the longevity and safe use of your Brownells

Classic AllPurpose Tool Box. Your safety is our priority.
