## Safety Instruction Guide

### Introduction

Thank you for choosing the TORX® BITS STAR BITS BROWNELLS T9 TORX BIT. This guide provides important safety information to ensure the safe use of this product. Please read and understand these instructions before using the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children to prevent accidents.
- Regularly inspect the bits for signs of wear or damage before use.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the bits.
- If you notice any defects or irregularities, discontinue use immediately and report the issue.

### Specific Safety Precautions for Use

- Use the TORX® BITS only with compatible tools designed for these bits.
- Do not exceed the recommended torque settings when using the bits to avoid breakage.
- Ensure that the bit is securely fitted into the tool before use to prevent slippage.
- Avoid using damaged bits, as they may pose a risk of injury.
- Do not use the bits for nonTORX applications, as this may cause damage to both the bit and the fastener.

### Instructions for Installation and Usage

#### 1. Preparation

- Gather all necessary tools and materials before starting.
- Ensure your work area is clean and welllit.

#### 2. Installation of TORX® BITS

- Insert the T9 TORX BIT into the compatible tool's chuck or bit holder.
- Ensure that the bit is fully seated and secured in the tool.

#### 3. Using the TORX® BITS

- Align the bit with the screw or fastener head.
- Apply steady pressure and turn the tool in the clockwise direction to tighten or counterclockwise to loosen.
- Do not force the tool if the screw does not turn; check for crossthreading or other issues.
- After use, remove the bit from the tool and store it in a safe place.

### Disposal Instructions

- Dispose of any damaged or worn bits in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
