Safety Instruction Guide for NYLON/BRASS DRIFT PUNCH BASIC NYLON/BRASS PUNCH SET

Introduction

Thank you for choosing the NYLON/BRASS DRIFT PUNCH BASIC NYLON/BRASS PUNCH SET. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and understand this guide before using the punch set.

General Safety Guidelines

- Ensure that the punch set is used for its intended purpose only.
- Always inspect the tools before use for any signs of damage or wear.
- Keep the punch set and its components out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the punch set.
- Always work in a welllit area to ensure visibility while using the tools.
- Be aware of your surroundings and ensure that no one is in the immediate area when using the punch set.

Specific Safety Precautions for Use

- **Handle with Care:** Always grip the punch handle firmly to maintain control during use.
- **Avoid Excessive Force:** Do not apply excessive force when using the punch to prevent breakage or injury.
- **Check for Interchangeability:** Ensure that the tips are securely attached to the handle before use. Loose tips can cause accidents.
- **Use Appropriate Tips:** Select the correct tip for the task at hand. Using the wrong tip can lead to damage to the workpiece or the tool.
- **NonMarring Use:** When using nylon tips, ensure they are appropriate for nonmarring applications to prevent damage to surfaces.
- **Avoid Contact with Steel:** When using brass tips, avoid contact with steel surfaces to prevent wear on the tips.
- **Store Properly:** After use, store the punch set in a safe place to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. **Selecting the Tip:** Choose the appropriate tip based on the task requirements. The set includes:
 - 5/16" Nylon Tip
 - 5/16" Brass Tip
 - Other interchangeable tips (3/16", 1/4", and additional aluminum tips in the 4Way and 6Way Sets)
2. **Attaching the Tip:**
 - Align the tip with the handle.
 - Push the tip securely into the handle until it clicks into place.
 - Check that the tip is firmly attached before proceeding.
3. **Using the Punch:**
 - Position the punch tip on the target area of the workpiece.
 - Hold the handle firmly and apply controlled force to drive the punch.
 - If resistance is encountered, stop and assess the situation to avoid damage or injury.

4. Cleaning and Maintenance:

- After use, clean the punch set with a soft cloth to remove debris.
- Inspect the tips for wear and replace them if necessary.

Disposal Instructions

- Dispose of the punch set responsibly in accordance with local regulations.
- Do not dispose of the punch set in regular household waste.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to your retailer or the manufacturer's website for contact information.

By following these safety instructions, you can ensure a safe and effective experience with your NYLON/BRASS DRIFT PUNCH BASIC NYLON/BRASS PUNCH SET. Thank you for your attention to safety and proper usage.
