[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Punches](#)

6 Indispensable Mar-Proof Punches

Great combination punch for gunsmith, machinist and toolmaker. Hi-impact steel handle with knurled grip for easy holding and accurate control. Built to withstand maximum impact with a minimum of distortion. Interchangeable and replaceable tips are available in: 5/16" Nylon with steel reinforcing pin to prevent bending or breakage while giving completely mar-free punching action; Brass in various diameters for a harder-than-nylon but softer-than-steel impact where slight discoloration is acceptable. Aluminum in two diameters for harder-than-nylon but softer-than-steel impact where slight discoloration is acceptable. Remington shotgun punch tip which is .165" diameter Nylon tip without steel pin which is non-marring used for removing trigger plate pins from 870, 1100 and 1187. Single replaceable non-marring nylon punch with .165 diameter used for removing trigger plate pins from 870, 1100 and 1187. Supplied as: Basic Set with two 5/16" diameter tips (one Nylon, one Brass) and one Handle. 4-Way Set includes four Handles, one 5/16" Nylon Tip; plus one each, 3/16", 1/4" and 5/16" diameter Brass Tips. 6-Way Set adds 1/4" and 5/16" diameter, Aluminum Tips and 2 more handles to the 4-Way Set.

Safety Instructions for NYLON/BRASS DRIFT PUNCH 4WAY NYLON/BRASS PUNCH SET

Introduction

Thank you for choosing the NYLON/BRASS DRIFT PUNCH 4WAY NYLON/BRASS PUNCH SET. This product is designed for gunsmiths, machinists, and toolmakers. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the punch set in accordance with the manufacturer's instructions.
- Inspect the punch set for any signs of damage or wear before each use.
- Keep the punch set out of reach of children and vulnerable individuals.
- Use the punch set only for its intended purpose to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the punch set.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the workpiece is securely clamped or held in place before using the punch.
- Avoid using excessive force when striking the punch to prevent breakage.
- Do not use the punch set on materials that are too hard or inappropriate for the punch tips.
- When using the Nylon tip, ensure that the steel reinforcing pin is properly installed to prevent bending or breakage.
- Be cautious of the potential for minor discoloration when using Brass and Aluminum tips.
- Always use the correct size punch tip for the task to ensure effective performance and safety.
- Do not attempt to modify or repair the punch set yourself.

Instructions for Installation and Usage

1. Selecting the Punch Tip:

- Choose the appropriate punch tip based on the material and size of the workpiece.
- Ensure the tip is compatible with the handle.

2. Installing the Punch Tip:

- Insert the selected punch tip into the handle until it is securely in place.
- Check for a snug fit to ensure safety during use.

3. Using the Punch:

- Position the punch tip over the intended area on the workpiece.
- Hold the handle firmly with one hand and strike the handle gently with a hammer or mallet.
- Repeat as necessary, ensuring you do not apply excessive force.

4. Removing the Punch Tip:

- To change or remove the punch tip, pull it out gently from the handle.
- Store unused tips in a safe place to prevent damage.

5. PostUse Care:

- Clean the punch set after each use to remove debris and prevent corrosion.
- Store the punch set in a dry place to maintain its condition.

Disposal Instructions

- Dispose of any damaged or wornout punch tips and handles according to local regulations.
- Recycle materials where possible, ensuring that they are disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any safety inquiries or concerns regarding the NYLON/BRASS DRIFT PUNCH 4WAY NYLON/BRASS PUNCH SET, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your NYLON/BRASS DRIFT PUNCH 4WAY NYLON/BRASS PUNCH SET. Thank you for your attention to safety!
