[Gunsmith Tools](#) > [Shotgun Tools](#) > [Shotgun Specialty Tools](#)

## 6 Indispensable Mar-Proof Punches

Great combination punch for gunsmith, machinist and toolmaker. Hi-impact steel handle with knurled grip for easy holding and accurate control. Built to withstand maximum impact with a minimum of distortion. Interchangeable and replaceable tips are available in: 5/16" Nylon with steel reinforcing pin to prevent bending or breakage while giving completely mar-free punching action; Brass in various diameters for a harder-than-nylon but softer-than-steel impact where slight discoloration is acceptable. Aluminum in two diameters for harder-than-nylon but softer-than-steel impact where slight discoloration is acceptable. Remington shotgun punch tip which is .165" diameter Nylon tip without steel pin which is non-marring used for removing trigger plate pins from 870, 1100 and 1187. Single replaceable non-marring nylon punch with .165 diameter used for removing trigger plate pins from 870, 1100 and 1187. Supplied as: Basic Set with two 5/16" diameter tips (one Nylon, one Brass) and one Handle. 4-Way Set includes four Handles, one 5/16" Nylon Tip; plus one each, 3/16", 1/4" and 5/16" diameter Brass Tips. 6-Way Set adds 1/4" and 5/16" diameter, Aluminum Tips and 2 more handles to the 4-Way Set.

# Safety Instruction Guide for NYLON/BRASS DRIFT PUNCH BROWNELLS 6WAY NYLON/BRASS PUNCH SET

## Introduction

Thank you for choosing the NYLON/BRASS DRIFT PUNCH BROWNELLS 6WAY NYLON/BRASS PUNCH SET. This guide provides essential safety information to ensure the safe and effective use of this product. Please read and follow these instructions carefully to minimize risks and enhance your experience.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the punch set before use for any signs of damage or wear.
- Store the punch set in a dry and safe place, away from children and pets.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the punch set.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential for injury from improper use or handling.
- Risk of damage to the workpiece if the punch is not used correctly.

- **Avoiding Hazards:**

- Always hold the punch set securely by the handle to maintain control during use.
- Do not use excessive force when striking the punch; let the tool do the work.
- Ensure the workpiece is stable and secure before using the punch.
- Do not attempt to modify or repair the punch set yourself.

- **Age Specific Warnings:**

- This product is intended for use by adults or under adult supervision. Keep out of reach of children.

## Instructions for Installation and Usage

- **Installation:**

- Ensure that the correct tip is selected for your specific application.
- Insert the tip into the handle until it is fully seated.
- Ensure that the tip is securely locked in place before use.

- **Usage:**

- Position the punch tip on the desired location of the workpiece.
- With a firm grip on the handle, strike the top of the handle with a hammer or mallet.
- For delicate tasks, use the nylon tips to prevent marring the surface.
- For harder materials, use the brass or aluminum tips as needed.

- After use, carefully remove the tip from the handle and clean it if necessary.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- Ensure that any damaged or worn components are disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the product, please consult the manufacturer's website or customer service.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with the NYLON/BRASS DRIFT PUNCH BROWNELLS 6WAY NYLON/BRASS PUNCH SET.
