

PLUG SCREW KIT - PLUG SCREW REFILL 8-40 BLUED 12 PACK

[Gunsmith Tools & Supplies](#) > [Small Hardware](#) > [Metal Screws](#)

Plug Most Any Sight Or Scope Mount Hole On Blued & Stainless Steel Firearms

Handy, money saving assortment of positive stop and standard plug screws in the two most popular sizes. Plug screws are a real time saver around the shop. Fast and easy way to fill holes on barrels and firearm receivers. Can be ground flush and blued or polished, and most times it will be tough to tell if a hole was ever there. Positive stop screws have a rounded top that blends right in with most barrel contours without grinding. Kit also includes pair of chrome-plated, flat jaw tweezers to easily pick up the right screw, and our handy Checker/Shortener Jig makes grinding screws to the right length fast and easy.

Safety Instruction Guide for PLUG SCREW KIT PLUG SCREW REFILL 840 BLUED 12 PACK

Introduction

Thank you for purchasing the PLUG SCREW KIT PLUG SCREW REFILL 840 BLUED 12 PACK. This product is designed to provide an efficient and effective solution for filling holes in barrels and firearm receivers. To ensure safe and proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of plug screws and firearms.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges on screws may cause cuts or puncture wounds.
 - Improper use may lead to damage to firearms or barrels.
- **To Avoid Hazards:**
 - Always wear appropriate personal protective equipment (PPE), including gloves and safety goggles.
 - Use the screws only as directed and in accordance with the installation instructions.
 - Do not force screws into materials; ensure proper alignment and fit.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18. Ensure adult supervision when used around minors.

Instructions for Installation and Usage

1. **Preparation:**
 - Gather all necessary tools and materials, including the appropriate plug screws from the kit.
 - Ensure the work area is clean, welllit, and free from distractions.
2. **Installation:**
 - Select the appropriate size plug screw for the hole you are filling.
 - If necessary, use the Checker/Shortener Jig to grind the screw to the correct length.
 - Insert the plug screw into the hole, ensuring it is aligned properly.
 - Use a screwdriver to tighten the screw gently until it is flush with the surface.
3. **PostInstallation:**
 - Inspect the installation to ensure there are no protruding edges.
 - If desired, finish the surface by bluing or polishing for a smooth appearance.
 - Dispose of any unused screws or debris in accordance with local regulations.

Disposal Instructions

- Dispose of the product responsibly in accordance with local waste management regulations.
- Recycle any packaging materials where possible.
- Ensure that screws and other sharp objects are disposed of in a manner that prevents injury to others.

Contact Information for Further Support

For any safety inquiries or concerns regarding the PLUG SCREW KIT, please refer to the product packaging for guidance on contacting the manufacturer or relevant authorities.

By following these safety instructions, you can ensure a safe and effective experience with your PLUG SCREW KIT PLUG SCREW REFILL 840 BLUED 12 PACK. Thank you for your attention to safety!
