

PLUG SCREW KIT - BROWNELLS PLUG SCREW REFILL 6-48 STAINLESS STEEL 12 PACK

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

Plug Most Any Sight Or Scope Mount Hole On Blued & Stainless Steel Firearms

Handy, money saving assortment of positive stop and standard plug screws in the two most popular sizes. Plug screws are a real time saver around the shop. Fast and easy way to fill holes on barrels and firearm receivers. Can be ground flush and blued or polished, and most times it will be tough to tell if a hole was ever there. Positive stop screws have a rounded top that blends right in with most barrel contours without grinding. Kit also includes pair of chrome-plated, flat jaw tweezers to easily pick up the right screw, and our handy Checker/Shortener Jig makes grinding screws to the right length fast and easy.

Safety Instruction Guide for PLUG SCREW KIT BROWNELLS PLUG SCREW REFILL 648 STAINLESS STEEL 12 PACK

Introduction

Thank you for choosing the PLUG SCREW KIT BROWNELLS PLUG SCREW REFILL. This kit includes a variety of plug screws designed for use in firearms and other applications. To ensure your safety and the proper use of this product, please read this guide carefully.

General Safety Guidelines

- Always read and follow the instructions provided in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the kit in a cool, dry place away from direct sunlight.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct size plug screw for your application to avoid damage.
- Use appropriate tools when installing or removing screws to prevent injury.
- Wear safety glasses to protect your eyes from debris during use.
- Avoid overtightening screws, as this may cause damage to the material.
- Do not use plug screws in applications for which they are not intended.
- If you experience any difficulty during installation, consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including the correct size screw and appropriate installation tools.
- Ensure the working area is clean and welllit.

2. Installation of Plug Screws

- Select the appropriate plug screw based on the size of the hole to be filled.
- If necessary, use the Checker/Shortener Jig to grind the screw to the desired length.
- Insert the plug screw into the hole carefully.
- Use a screwdriver to tighten the screw gently. Avoid excessive force.
- If using positive stop screws, ensure the rounded top is flush with the surface.

3. PostInstallation

- Inspect the installation to ensure the screw is secure and properly seated.
- Clean the area around the installation to remove any debris or dust.

Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in regular household waste if they are considered hazardous.

- Check with local waste management services for specific disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please consult the manufacturer's website or customer service resources for assistance.

By following these guidelines, you can ensure the safe and effective use of the PLUG SCREW KIT BROWNELLS PLUG SCREW REFILL. Thank you for your attention to safety.
