# Safety Instructions for STEEL PILOTS BROWNELLS STEEL PILOT FOR .30 MUZZLE

## Introduction

Thank you for choosing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .30 MUZZLE. This product is designed to assist in the proper centering of Facing and Chamfering cutters in the bore, ensuring accuracy and efficiency in your work. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always read the product manual before use.
- Ensure that the work area is clean and free of hazards.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Ensure that the pilot is securely attached to the tool before use.
- Avoid using excessive force; let the hardened steel pilot do the work.
- Do not use the product if it appears damaged or worn.
- Keep hands and body parts away from moving parts during operation.
- Do not attempt to modify or repair the product yourself.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the tool is powered off and unplugged before installation.
- Select the appropriate pilot for your specific caliber and tool model.
- Securely attach the pilot to the tool according to the manufacturer's instructions.
- Doublecheck that the pilot is properly centered and tightened before use.

### 2. Usage

- Position the workpiece securely to prevent movement during operation.
- Start the tool at a low speed to ensure stability.
- Gradually increase the speed as needed, allowing the pilot to guide the cutters.
- Monitor the operation closely for any signs of wear or malfunction.
- After use, turn off and unplug the tool before removing the pilot.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the STEEL PILOTS BROWNELLS STEEL PILOT FOR .30 MUZZLE, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
