

# ACRAGLAS SHOP BEDDING KIT - ACRAGLAS NON-FLAMMABLE SHOP KIT

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Bedding & Adhesives](#)

The word ACRAGLAS has proven, during the many years it has been used by shooters, to be a true and fair product description. Acraglas is an accurizing material designed for the exclusive purpose of making a rifle shoot more accurately. Granted, it is a superior bedding compound used and sold as such by dealers, stock manufacturers and gunsmiths - but the fact remains: its prime purpose is to accurize a rifle. As the manufacturers of Acraglas, we cannot help but be proud of the many individual shooters and teams who have won big bore regional and Perry matches with Acraglassed guns ... and of the hunters who have sent us "before and after" targets made when sighting in their game rifles after using Acraglas. The basic materials used in Acraglas are those developed for the aircraft industry and have been adapted to firearms. Some of the many unusual features of Acraglas are: Acraglas shrinks less than 1/10th of 1% when hardening. Acid proof, waterproof, has superior insulating qualities, resists alkalis and will not rot or deteriorate. Highly resistant to impact and will not dent. Is easily repaired. Shelf life of over 5 years! Completely seals the inlettied side of the gun stock against all moisture, gun oils, solvents and sprays. Includes - 28 fl. oz. (828 ml) Resin, 7 fl. oz. (207 ml) Hardener, 3 fl. oz. (89 ml) Release Agent, 8 oz. (227g) Floc, 24 3 oz. capacity Mixing Cups, 50 Mixing Sticks, 5 Packets Brown Dye, 5 Packets Black Dye and Instructions.

## Attributes

- Name: [ACRAGLAS NON-FLAMMABLE SHOP KIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 081003065
- Mfr. No.:
- Size: 828 ml
- Type: Acraglas
- Quantity: 828
- Delivery weight: 2.132kg
- Shipping height: 762mm
- Shipping width: 145mm
- Shipping length: 198mm
- UPC: 050806105676

# ACRAGLAS SHOP BEDDING KIT Safety Instructions

## Introduction

Thank you for choosing the ACRAGLAS SHOP BEDDING KIT. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document thoroughly before use.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Always check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Special care should be taken to protect vulnerable groups, including children.

## Specific Safety Precautions for Use

- **Avoid Inhalation:** Use in a wellventilated area to prevent inhalation of fumes.
- **Skin Protection:** Wear gloves to avoid skin contact with the resin and hardener.
- **Eye Protection:** Use safety goggles to protect your eyes from splashes.
- **Avoid Ingestion:** Do not eat, drink, or smoke while using the product.
- **Keep Out of Reach of Children:** Store the product in a safe place, away from children and pets.
- **Emergency Procedures:** In case of contact with skin or eyes, rinse immediately with plenty of water and seek medical advice if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure all surfaces are clean and dry before application.
- Gather all necessary materials, including resin, hardener, release agent, mixing cups, mixing sticks, and dyes.

### 2. Mixing:

- In a wellventilated area, measure out 28 fl. oz. (828 ml) of resin and 7 fl. oz. (207 ml) of hardener into a mixing cup.
- Stir thoroughly with a mixing stick for at least 2 minutes to ensure a uniform mixture.

### 3. Application:

- Apply the mixed Acraglas to the inleted side of the gun stock.
- Use the release agent on any surfaces that should not bond with the Acraglas.
- Ensure an even application to prevent gaps and ensure a secure fit.

### 4. Curing:

- Allow the Acraglas to cure as per the manufacturer's instructions.
- Avoid disturbing the bedding during the curing process.

### 5. Cleaning Up:

- Clean any spills immediately with a suitable solvent.
- Dispose of any unused or expired product in accordance with local regulations.

## **Disposal Instructions**

- Dispose of any unused Acraglas and its components according to local regulations.
- Do not dispose of in household waste. Check for local hazardous waste disposal guidelines.
- Ensure that all materials are sealed and stored properly until disposal.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the ACRAGLAS SHOP BEDDING KIT, please consult the product packaging or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and effective experience with the ACRAGLAS SHOP BEDDING KIT. Thank you for your attention to these important guidelines.
