

RUST RELEASE - BROWNELLS RUST RELEASE 1 GALLON

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Pre-Finish Surface Prep](#)

Strips Away Rust & Corrosion, Won't Harm The Healthy Metal Underneath

Powerful, rust stripper removes corrosion from steel and other ferrous metals. Gets rid of flash rust in as little as 15 minutes, cleans heavily rusted steel overnight. Environmentally safe formula attacks the rust but won't hurt the metal underneath, so it's great for restorations where bead-blasting and repolishing are undesirable. Penetrates dirt and oil, eliminating need for pre-cleaning on most jobs. Safer than traditional acid pickling processes. Non-flammable, acid-free, and biodegradable with low toxicity and minimal odor. Easy, one-step process doesn't require multiple baths or rinses. Use full-strength straight from container, no messy diluting, mixing, or measuring. Re-usable - one gallon cleans up to 325 lbs. of rusty metal. Solution turns black when its rust removal properties have been exhausted. Also great for de-rusting tools, autos, bikes, antiques, lawn furniture, and many other items around the house or shop.

RUST RELEASE BROWNELLS RUST RELEASE 1 GALLON

Consumer Safety Instruction Guide

Introduction

Thank you for choosing RUST RELEASE BROWNELLS RUST RELEASE. This powerful rust stripper is designed to effectively remove corrosion from steel and other ferrous metals. To ensure safe and effective use of this product, please follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Always read the product label and safety data sheet before use.
- Keep out of reach of children and pets.
- Use in a wellventilated area to avoid inhalation of vapors.
- Wear appropriate personal protective equipment (PPE), including gloves and safety goggles.
- Do not mix with other chemicals or products unless specified.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - May cause skin and eye irritation.
 - Inhalation of vapors may cause respiratory discomfort.
 - Nonflammable, but avoid contact with heat sources.
- **Avoiding Hazards:**
 - Do not apply to hot surfaces or near open flames.
 - Ensure the work area is clear of any ignition sources.
 - If product comes into contact with skin, wash immediately with soap and water.
 - In case of eye contact, rinse thoroughly with water for at least 15 minutes and seek medical attention if irritation persists.
 - If inhaled, move to fresh air and seek medical attention if symptoms persist.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the surface to be treated is free from loose rust, dirt, and debris.
- Wear protective gloves and goggles.

2. Application:

- Use the product fullstrength directly from the container.
- Apply a generous amount of RUST RELEASE to the rusted area using a brush or spray.
- Allow the product to work for at least 15 minutes for flash rust or overnight for heavily rusted surfaces.

3. Cleaning:

- After the desired time, wipe the area with a clean cloth or rinse with water.
- For best results, repeat the application if necessary.

4. PostUse Care:

- Clean tools and equipment used for application with water.
- Dispose of any used cloths or materials in accordance with local regulations.

Disposal Instructions

- Dispose of unused product and container in accordance with local waste management regulations.
- Do not pour down the drain or dispose of in regular trash.
- Check with local authorities for specific disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of RUST RELEASE BROWNELLS RUST RELEASE, please refer to the product label for the manufacturer's contact information. Additionally, you can stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Conclusion

By following the safety guidelines and instructions provided in this guide, you can ensure the safe and effective use of RUST RELEASE BROWNELLS RUST RELEASE. Thank you for your attention to safety and for choosing our product.
