

RUST PREVENTIVE No. 2™ - BROWNELLS RUST PREVENTIVE #2, SPRAY BOTTLE, 16OZ

Neutralizes Fingerprints, Displaces Moisture, Prevents Rust

The gun oil that's a rust proofer too! Proven in over 40 years of all-weather performance to prevent rust in the worst possible hunting and shooting weather and locations. Definitely not a space age chemical that raises hell with gun finishes and bluing, but a blend of petroleum distillates specially formulated for use on guns, tools and machinery. Penetrates pores to get down under fingerprints and moisture, then leaves an invisible film to protect and lubricate. Unlike general purpose water displacing rust proofers, RP2 won't gum-up in the nooks and crannies. Pints are supplied in a handy, pump spray bottle.

Safety Instruction Guide for RUST PREVENTIVE No. 2™ BROWNELLS RUST PREVENTIVE #2

Introduction

Thank you for choosing RUST PREVENTIVE No. 2™. This product is designed to provide effective rust protection for firearms, tools, and machinery. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and pets.
- Do not use this product for any purpose other than its intended use.
- In case of accidental contact with skin or eyes, rinse immediately with plenty of water and seek medical attention if necessary.
- If ingested, do not induce vomiting. Seek medical help immediately.
- Follow local regulations for the disposal of hazardous materials.

Specific Safety Precautions for Use

- Ensure adequate ventilation when using the product, especially in enclosed spaces.
- Avoid inhaling vapors. Use a mask if necessary.
- Do not spray near open flames or sources of ignition.
- Wear protective gloves and safety goggles when applying the product to prevent skin and eye contact.
- Allow the product to dry completely before handling treated items.

Instructions for Installation and Usage

1. Preparation:

- Shake the spray bottle well before use.
- Ensure the surface to be treated is clean and dry.

2. Application:

- Hold the spray bottle approximately 612 inches away from the surface.
- Spray a thin, even layer of RUST PREVENTIVE No. 2™ on the desired area.
- Allow the product to penetrate for a few minutes.

3. PostApplication:

- Wipe off any excess product with a clean cloth.
- For best results, reapply as needed, especially after exposure to moisture or harsh conditions.

Disposal Instructions

- Dispose of empty containers and any unused product in accordance with local regulations.
- Do not dispose of in household waste or down the drain.
- Contact local waste disposal authorities for guidance on hazardous waste disposal.
