# Safety Instruction Guide for BOILED LINSEED OIL BROWNELLS BOILED LINSEED OIL, 1 PINT

## Introduction

Thank you for choosing BOILED LINSEED OIL by Brownells. This product is designed for wood finishing and provides a clear, durable finish. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use this product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Follow all local regulations for the safe use and disposal of chemical products.

## Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as gloves and safety goggles when handling the oil.
- Do not eat, drink, or smoke while using this product.
- Ensure surfaces are clean and free from dust or debris before application.
- Do not apply the oil near open flames or sparks, as it is flammable.
- Allow sufficient time for the oil to cure (46 hours) before using the treated surface.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be treated is clean, dry, and free of any old finishes.
- Shake the container well before use to ensure even distribution of the product.

### 2. Application:

- Use a clean cloth, brush, or applicator to apply a thin, even coat of the oil to the surface.
- Work in small sections to prevent the oil from drying before it can be spread evenly.
- Allow the first coat to penetrate for 1530 minutes, then wipe off any excess oil with a clean cloth.

### 3. Curing:

- Allow the treated surface to cure for 46 hours in a wellventilated area.
- Avoid touching or using the surface until fully cured.

### 4. Cleanup:

- Clean tools and applicators with solvent or mineral spirits immediately after use.
- Dispose of any used cloths or applicators in accordance with local hazardous waste regulations.

## Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour the oil down drains or into water sources.
- Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or productrelated questions, please reach out to the appropriate contact point in your region.

By following these guidelines, you can ensure a safe and effective experience with BOILED LINSEED OIL by Brownells. Thank you for your attention to safety.
