# Safety Instruction Guide for 1100/1187 Gas Ring Brush

## Introduction

Thank you for choosing the 1100/1187 Gas Ring Brush by Brownells. This product is designed to effectively clean the gas ring steps of your semiautomatic shotgun. To ensure your safety and the effective use of this product, please read this guide carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the brush for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe products or accidents to the relevant authorities.
- Check for updates on product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear protective eyewear to avoid injury from splashes or debris.
- Use in a wellventilated area to minimize inhalation of solvents and cleaning agents.
- Avoid prolonged skin contact with solvents. Use gloves if necessary.
- Do not use excessive force when cleaning to avoid damaging the gas ring.
- Ensure the shotgun is unloaded and safe before cleaning.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your shotgun is unloaded and in a safe condition.
- Gather necessary cleaning supplies, including solvents if required.

### 2. Using the Gas Ring Brush

- Grasp the handle of the gas ring brush firmly.
- Insert the bristled end into the gas ring area of the shotgun.
- Rotate the brush gently while applying light pressure to remove fouling.
- After cleaning, remove the brush and inspect the gas ring for any remaining residue.

### 3. PostCleaning

- Clean the brush with a suitable solvent to remove any debris.
- Store the gas ring brush in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the gas ring brush in accordance with local regulations for waste disposal.
- Do not dispose of the brush in regular household waste if it is contaminated with hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 1100/1187 Gas Ring Brush, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to safety and for choosing the 1100/1187 Gas Ring Brush. Enjoy safe and effective cleaning!
