## Safety Instructions

### Introduction

Thank you for choosing the SUPER TOOTHBRUSHES SUPER TOOTHBRUSH, a highquality cleaning tool designed for various applications. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the toothbrush.

### General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
  - Always inspect the toothbrush for any visible damage before use.
  - Keep the toothbrush out of reach of children and vulnerable individuals.
  - Use the toothbrush only for its intended purpose.
  - Store the toothbrush in a dry place to prevent rust or corrosion, especially if it has metal bristles.
  - Do not use the toothbrush if it is damaged or if the bristles are worn out.

### Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
  - **Material Safety:** The toothbrush features stainless steel, bronze, and nylon bristles. Ensure you are not allergic to these materials.
  - **Grip Safety:** Hold the grooved handle firmly to prevent slipping during use.
  - **Brushing Pressure:** Use gentle pressure while brushing to avoid damaging surfaces or causing injury.
  - **Surface Compatibility:** Verify that the bristle material is suitable for the surface you are cleaning to prevent scratches or damage.

### Instructions for Installation and Usage

- Follow these steps for proper installation and usage:
  - **Installation:** The toothbrush is ready to use out of the package. No assembly is required.
  - **Usage:**
    1. Select the appropriate bristle type (Stainless Steel, Bronze, or Nylon) based on the cleaning task.
    2. Hold the toothbrush by the grooved handle.
    3. Apply gentle pressure and brush the surface in a backandforth motion.
    4. After use, rinse the toothbrush under water to remove debris and allow it to dry completely.

### Disposal Instructions

- Dispose of the toothbrush responsibly:
  - Check local regulations for the disposal of metal and plastic materials.
  - If the toothbrush is no longer usable, consider recycling the materials where possible.
  - Do not dispose of the toothbrush in regular household waste if it can be recycled.

### Contact Information for Further Support

For any safety inquiries or further assistance regarding the SUPER TOOTHBRUSHES SUPER TOOTHBRUSH, please contact your local distributor or manufacturer. Ensure you have the product details ready for efficient support.

## **Reporting Unsafe Products**

- If you encounter any unsafe products or accidents related to this toothbrush, report them to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your SUPER TOOTHBRUSHES SUPER TOOTHBRUSH!
