Safety Instruction Guide for Brownells 100% Cotton Flannel Cleaning Patches Master Pack

Introduction

Thank you for choosing the Brownells 100% Cotton Flannel Cleaning Patches Master Pack. This guide provides essential safety instructions and guidelines to ensure the safe use of our product. Please read this document carefully to understand how to use, store, and dispose of the cleaning patches safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning firearms.
- Keep the cleaning patches out of reach of children and vulnerable individuals.
- Inspect the patches before use. Do not use if they appear damaged or contaminated.
- Use in a wellventilated area to avoid inhalation of any fibers.
- Avoid using the patches near open flames or high heat sources.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** Risk of choking if patches are ingested. Risk of injury if patches are used improperly.
- **Instructions for Avoiding Hazards:** Always supervise children when using the product. Do not use the patches for any purpose other than cleaning firearms. Ensure that firearms are unloaded before cleaning. Dispose of used patches properly to prevent accidental ingestion by children or pets.

Instructions for Installation and Usage

- **Using the Cleaning Patches:**
 1. Choose the appropriate size and shape of the patch for your firearm.
 2. Attach the patch to your cleaning rod or tool securely.
 3. Apply the necessary cleaning solution to the patch if required.
 4. Insert the cleaning rod into the firearm and move it back and forth gently.
 5. Remove the patch after use and dispose of it properly.
- **Storage Instructions:** Store the patches in a cool, dry place away from direct sunlight. Keep the resealable bag closed when not in use to maintain the quality of the patches.

Disposal Instructions

- Dispose of used cleaning patches in accordance with local waste disposal regulations.
- Do not flush patches down the toilet or dispose of them in waterways.
- If the patches are contaminated with cleaning solutions, follow local hazardous waste disposal guidelines.
