This product is designed to enhance the performance of your custom 1911 Auto, whether for target shooting, hunting, or tactical applications. To ensure your safety and the optimal use of this product, please read and follow the safety instructions carefully.

General Safety Guidelines

- Ensure that all parts are installed by a qualified gunsmith or experienced individual familiar with firearm assembly.
- Always handle firearms with care and follow all safety protocols.
- Check local laws and regulations regarding the use and modification of firearms.
- Store all firearm parts and tools securely and out of reach of children.
- Regularly inspect your firearm and its components for wear or damage.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before performing any maintenance or modifications.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling firearms.
- Keep your hands and workspace clean to avoid contamination of parts.
- Avoid using excessive force during installation to prevent damage to components.
- Be aware of the potential hazards associated with the use of firearms, including recoil and misfires.

Instructions for Installation and Usage

1. Preparation

- Ensure you have all necessary tools for installation, including screwdrivers and pliers.
- Read the product manual thoroughly before beginning the installation process.

2. Installation Steps

- Unload your firearm completely and ensure it is pointed in a safe direction.
- Remove the magazine catch from the firearm by unscrewing it.
- Carefully remove the old magazine catch spring and replace it with the new MAGAZINE CATCH SPRING.
- Reattach the magazine catch, ensuring it is securely fastened.
- Check the functionality of the magazine catch by inserting and removing the magazine several times.

3. PostInstallation Checks

- After installation, perform a function check to ensure the magazine catch operates smoothly.
- Test the firearm in a safe and controlled environment to confirm that all components are working correctly.

Disposal Instructions

- Dispose of any old or unused firearm parts in accordance with local regulations.
- Do not throw away parts in regular household waste. Instead, check with local authorities for proper disposal methods.
- Ensure that any hazardous materials are disposed of safely to prevent harm to the environment.
