

1911 SOLID BARREL BUSHING - ED BROWN GOVERNMENT BARREL BUSHING, BLUE, OS

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Bushings](#)

Long-Wearing, Solid Steel Increases Accuracy

Machined, steel, barrel bushings provide a tight, slide to barrel fit; available in both Government and Commander. Heat treated and hardened for outstanding durability. Drop-In - Close, drop-in fit on Colt slides. Requires no fitting with Ed Brown Barrel and Colt slides. Other brands may require minor fitting. Oversize - Requires turning of O.D., and reaming of I.D., to achieve a true match fit. Commander available in Drop-In, Stainless Steel only.

Safety Instruction Guide for 1911 Solid Barrel Bushing Ed Brown Government Barrel Bushing, Blue, OS

Introduction

Thank you for choosing the 1911 Solid Barrel Bushing by Ed Brown. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the barrel bushing.
- Keep the barrel bushing and all firearm components out of reach of children and unauthorized users.
- Use the product only for its intended purpose; improper use can lead to accidents or injury.
- Regularly inspect the barrel bushing for wear or damage.
- If you notice any abnormalities, do not use the product and consult a professional gunsmith.

Specific Safety Precautions for Use

- Ensure that you are using the correct size barrel bushing for your firearm model.
- Avoid using excessive force during installation to prevent damage to the firearm or barrel bushing.
- If you are unfamiliar with firearm maintenance, seek assistance from a qualified professional.
- Always wear appropriate eye protection when working with firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools such as a wrench or screwdriver, if needed.

2. Installation

- Remove the existing barrel bushing from the firearm by following the manufacturer's instructions.
- Take the new Ed Brown barrel bushing and check for any visible damage.
- Insert the barrel bushing into the slide of the firearm. Ensure that it fits snugly and aligns properly.
- If using the Oversize option, you may need to turn the O.D. and ream the I.D. for a true match fit.

3. Usage

- After installation, perform a function check to ensure that the barrel bushing is properly seated and that the firearm operates correctly.
- Regularly check the barrel bushing during routine maintenance to ensure it remains in good condition.

Disposal Instructions

- Dispose of any damaged or worn barrel bushings in accordance with local regulations.
- Do not dispose of the barrel bushing in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 1911 Solid Barrel Bushing, please consult a qualified gunsmith or contact the manufacturer directly. Ensure that you have your product details handy for a more efficient response.

Conclusion

The 1911 Solid Barrel Bushing by Ed Brown is designed to provide a reliable and durable performance for your firearm. By following the safety guidelines and instructions in this manual, you can ensure safe usage and maintenance of your product. Always prioritize safety when handling firearms, and consult professionals when in doubt.
