# Safety Instruction Guide for 1911 FIRING PIN ED BROWN #825 FIRING PIN

## Introduction

Thank you for choosing the 1911 FIRING PIN ED BROWN #825 FIRING PIN. This product is designed for use in various 1911 models, including Government, Commander, and Officers models. To ensure your safety and the proper functioning of your firearm, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firing pin and all firearm components out of reach of children and unauthorized users.
- Inspect the firing pin before each use for any signs of damage or wear.
- Use only the specified caliber (9 mm/.38 Super) to prevent malfunctions or accidents.
- Always wear appropriate eye and ear protection when handling or firing firearms.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing the firing pin.
- Do not attempt to modify or alter the firing pin in any way.
- Use the firing pin only in firearms that are compatible with the specified dimensions.
- Check the firing pin hole fit to ensure it is secure and free from obstructions.
- Avoid using the firing pin in extreme conditions, such as excessive heat or moisture, which may affect its performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a punch tool.

### 2. Installation:

- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Locate the firing pin assembly and carefully remove the old firing pin if applicable.
- Insert the new ED BROWN #825 firing pin into the firing pin hole, ensuring it fits securely.
- Reassemble the slide and ensure all components are properly aligned.

### 3. Usage:

- After installation, perform a function check to ensure the firing pin operates correctly.
- Follow the manufacturer's guidelines for safe operation and maintenance of the firearm.

## Disposal Instructions

- Dispose of any damaged or worn firing pins in accordance with local regulations.
- Do not dispose of the firing pin in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 FIRING PIN ED BROWN #825 FIRING PIN, please reach out to the appropriate support channels as per your region's guidelines.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the 1911 FIRING PIN ED BROWN #825 FIRING PIN. Always prioritize safety and adhere to all applicable laws and regulations. Thank you for your attention to these important guidelines.
