Safety Instruction Guide for 725 Gun Cleaner Degreaser

Introduction

Thank you for choosing 725 Gun Cleaner Degreaser. This product is designed to effectively clean and degrease gun parts, ensuring optimal performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use 725 Gun Cleaner Degreaser in a wellventilated area.
- Keep the product out of reach of children and pets.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product or empty containers in accordance with local regulations.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as gloves and safety goggles when handling the product.
- Avoid breathing in vapors. Use a mask if necessary, especially in enclosed spaces.
- Do not mix with other cleaning agents or chemicals, as this may produce harmful fumes.
- Test on a small area first to ensure compatibility with the surface being cleaned.

Instructions for Installation and Usage

1. Preparation:

- Ensure the area is wellventilated.
- Gather necessary PPE (gloves, goggles, mask).

2. Application:

- Shake the container well before use.
- For direct application: Spray 725 Gun Cleaner Degreaser onto the surface of the gun part to be cleaned.
- For parts washers or solvent tanks: Follow the manufacturer's instructions for the correct dilution and application process.

3. Cleaning:

- Allow the cleaner to sit for a few minutes to penetrate tough residues.
- Wipe with a clean cloth or rinse with warm water.
- Repeat as necessary for heavily soiled parts.

4. Rinsing:

- Ensure all residues are rinsed off thoroughly to prevent corrosion of metal parts.
- Dry the cleaned parts completely before reassembly.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local waste disposal regulations.
- Do not pour down the drain or dispose of in regular trash.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or productrelated questions, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure the safe and effective use of 725 Gun Cleaner Degreaser. Always prioritize safety and adhere to recommended practices. Thank you for your attention to these important safety instructions.
