

AR-15 HBAR FRONT SIGHT HOUSING - DOUBLE STAR AR-15 HBAR FRONT SIGHT HOUSING BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Parts](#) > [Front Sight Towers](#)

Forged Steel Replacement With Integral Bayonet Lug

High-quality replacement for factory front sight housing includes bayonet lug, so you can upgrade a rifle manufactured during the now-expired Assault Weapons Ban to authentic military appearance. Forged from C1137 steel, then heat-treated for superior strength before final machining to military specifications. Ready to accept an A1- or A2-type front sight post, spring, and detent of your choice. Hole for sling swivel rivet is predrilled. Holes must be drilled for sets crews or taper pins for precise fit to your gun. Matte black Parkerized finish matches standard mil-spec finish. HBAR fits both M16A2 and M4 contour heavy barrels currently used by the U.S. Military.

Safety Instruction Guide for AR15 HBAR Front Sight Housing

Introduction

Thank you for choosing the AR15 HBAR Front Sight Housing by Double Star. This guide provides essential safety information, installation instructions, and usage guidelines to ensure a safe and effective experience with your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all components are compatible with your firearm before installation.
- Always follow the manufacturer's instructions for assembly and use.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the sight housing for any signs of wear or damage.
- Do not modify the sight housing in any way that could compromise its integrity.
- Store the product in a safe and dry location when not in use.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when it is not.
- Use appropriate eye and ear protection when handling firearms.
- Ensure the firearm is pointed in a safe direction at all times during installation and use.
- Avoid using the sight housing in wet or humid conditions to prevent corrosion.
- Be cautious of sharp edges during installation and handling.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a drill, appropriate bits, and a torque wrench.

2. Installation:

- Remove the existing front sight housing, if applicable.
- Align the new AR15 HBAR Front Sight Housing with the barrel.
- Predrill the hole for the sling swivel rivet, if required.
- Drill holes for set screws or taper pins for a precise fit to your gun.
- Install the housing securely using the appropriate fasteners.

3. Front Sight Post Installation:

- Choose an A1 or A2 type front sight post, spring, and detent.
- Follow the manufacturer's instructions for installing the front sight post.

4. Final Inspection:

- Check that all components are securely fastened.
- Ensure that the sight housing is aligned correctly.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is damaged beyond repair, dispose of it in accordance with local regulations for hazardous materials.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact your local regulatory authority.

By following these guidelines, you can ensure safe and effective use of the AR15 HBAR Front Sight Housing. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations (GPSR).
