

CARBON KILLER - SLIP 2000 15 OZ CARBON KILLER

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

Effective, High-Strength Cleaning & Protection For All Your Firearms

Non-toxic, highly-effective gun care products are specially formulated to provide superior firearms cleaning and protection without using harsh, smelly chemicals. Carbon Killer eliminates tough carbon fouling from bolts, cylinder faces, actions, muzzle breaks, and other hard-to-reach nooks and crannies. Designed as a parts bath, simply soak fouled parts for 5 to 10 minutes and wipe or brush clean. Can also be used with mops and brushes for bore cleaning. Completely non-hazardous, non-flammable, and biodegradable with a pleasant citrus scent. Reusable for many cleanings; plastic containers allow for easy, hassle-free storage between uses. For best results, follow cleaning with a thorough application of rust preventative oil. Follow manufacturer's recommendations to avoid damage to wood finishes, paint, anodizing, and bluing.

CARBON KILLER SLIP 2000 Safety Instructions

Introduction

Welcome to the safety instructions for CARBON KILLER SLIP 2000. This product is designed to provide effective cleaning and protection for firearms without the use of harsh chemicals. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Keep the product out of reach of children and pets.
- Use in a wellventilated area to avoid inhaling vapors.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product and its container according to local regulations.

Specific Safety Precautions for Use

- Ensure that all firearms are unloaded before cleaning.
- Do not use the product on hot surfaces or near open flames.
- Use gloves and safety goggles when handling the product to prevent skin and eye irritation.
- Do not mix with other cleaning agents or chemicals.
- For sensitive surfaces (wood finishes, paint, anodizing, and bluing), test on a small area first to avoid damage.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary cleaning tools, including mops, brushes, and a container for soaking parts.
- Ensure the workspace is clean and wellventilated.

2. Application

- For parts cleaning:
 - Soak fouled parts in CARBON KILLER SLIP 2000 for 5 to 10 minutes.
 - After soaking, wipe or brush clean.
 - Rinse with water if necessary.
- For bore cleaning:
 - Apply the product using mops or brushes.
 - Clean until the bore is free of fouling.

3. PostCleaning

- After cleaning, apply rust preventative oil to protect the firearm.
- Store the product in its original container, ensuring it is tightly closed.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local waste disposal regulations.
- Do not pour down the drain or dispose of in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety and use of CARBON KILLER SLIP 2000, please refer to the manufacturer's contact information provided on the product packaging.

Final Note

By following these safety instructions, you can ensure a safe and effective experience with CARBON KILLER SLIP 2000. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for choosing CARBON KILLER SLIP 2000 for your firearm cleaning needs.
