

CARBON KILLER - SLIP 2000 32 OZ CARBON KILLER

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

Effective, High-Strength Cleaning & Protection For All Your Firearms

Non-toxic, highly-effective gun care products are specially formulated to provide superior firearms cleaning and protection without using harsh, smelly chemicals. Carbon Killer eliminates tough carbon fouling from bolts, cylinder faces, actions, muzzle breaks, and other hard-to-reach nooks and crannies. Designed as a parts bath, simply soak fouled parts for 5 to 10 minutes and wipe or brush clean. Can also be used with mops and brushes for bore cleaning. Completely non-hazardous, non-flammable, and biodegradable with a pleasant citrus scent. Reusable for many cleanings; plastic containers allow for easy, hassle-free storage between uses. For best results, follow cleaning with a thorough application of rust preventative oil. Follow manufacturer's recommendations to avoid damage to wood finishes, paint, anodizing, and bluing.

CARBON KILLER SLIP 2000 Safety Instruction Guide

Introduction

Thank you for choosing CARBON KILLER SLIP 2000, a nontoxic and highly effective gun care product designed for superior cleaning and protection of firearms. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the label and product information before use.
- Store the product in a cool, dry place, away from direct sunlight.
- Keep out of reach of children and pets.
- Do not ingest the product or use it for any purpose other than intended.
- In case of accidental ingestion or contact with eyes, seek medical attention immediately.
- Follow all local regulations regarding the use and disposal of chemicals.

Specific Safety Precautions for Use

- Ensure adequate ventilation when using the product to avoid inhalation of vapors.
- Wear protective gloves and eyewear to prevent skin and eye contact.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- Avoid using on sensitive surfaces without testing a small area first.
- Do not use near open flames or sources of ignition, as the product is nonflammable but should still be handled with care.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including gloves, eyewear, and cleaning tools (brushes, mops).
- Ensure the work area is wellventilated.

2. Application:

- For parts cleaning, submerge fouled parts in the CARBON KILLER solution for 5 to 10 minutes.
- Use a brush or cloth to wipe or scrub the parts clean after soaking.
- For bore cleaning, apply the product using mops or brushes as needed.

3. PostCleaning:

- After cleaning, apply a rust preventative oil to protect the metal surfaces.
- Store the product in its original container with the lid tightly closed.

Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local waste disposal regulations.
- Do not pour the product down the drain or into the environment.
- Check for any specific disposal instructions on the product label.

Contact Information for Further Support

For any safety inquiries or further support regarding the use of CARBON KILLER SLIP 2000, please refer to the contact information provided on the product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of CARBON KILLER SLIP 2000. Always prioritize safety and adhere to the guidelines provided to protect yourself and the environment. Report any unsafe products or incidents to the appropriate authorities and stay informed about product recalls through the EU's Safety Gate platform.
