

# IDPA/IPSC TARGET STANDS - FOLDING TARGET STAND

[Shooting Accessories](#) > [Targets & Accessories](#) > [Target Stands](#)

## Compact & Lightweight For Easy Transport & Setup

Compact, lightweight construction for easy use. Rigid steel channels accept nominal 1" x 2" furring strips to support your target. Units are stackable to minimize storage space and decrease setup time. Approximately 18½" wide to fit all standard IPSC targets. Extra deep channels provide added target leg support. Standard model features two adjustable thumbscrews that provide a tight hold on the furring strips, and welded steel outriggers with two holes each for anchoring the stand with ground spikes. Folding model folds flat for even easier storage and transport. Drive-In model features a 10" long heavy-duty steel spike with a 2" x 2" square striking head for driving into the ground with your foot or a hammer.

## Attributes

# IDPA/IPSC Target Stands Folding Target Stand Safety Instructions

## Introduction

Thank you for choosing the IDPA/IPSC Target Stands Folding Target Stand. This guide provides essential safety instructions to ensure your safe use and operation of the product. Please read this document carefully before using the target stand.

## General Safety Guidelines

- Ensure that the target stand is used only for its intended purpose.
- Always inspect the target stand for any signs of damage or wear before each use.
- Keep the target stand out of reach of children and vulnerable individuals when not in use.
- Use the target stand in a safe environment, away from obstacles and hazards.
- Be aware of your surroundings and ensure that no one is in the vicinity when setting up or using the target stand.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Awareness:** The target stand is designed to hold targets securely. Improper use may lead to accidents or injuries.
- **Weight Limit:** Ensure that the total weight of the target and any additional equipment does not exceed the stand's capacity.
- **Ground Stability:** If using the DriveIn model, ensure that the ground is stable and suitable for driving the spike into the ground.
- **Adjustable Thumbscrews:** Always tighten the adjustable thumbscrews securely to prevent the furring strips from slipping.
- **Folding Model:** When folding the target stand, ensure that fingers and body parts are clear of the folding mechanism to avoid pinching injuries.
- **Transport Safety:** When transporting the target stand, ensure it is secured properly to prevent movement during transit.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the target stand from its packaging. Inspect all components for any damage.
2. **Assembly:**
  - For the Standard model:
    - Insert the furring strips (not included) into the rigid steel channels.
    - Secure the furring strips using the adjustable thumbscrews.
  - For the Folding model:
    - Follow the same assembly steps as the Standard model. Ensure the stand is folded flat for easy storage when not in use.
  - For the DriveIn model:
    - Insert the heavyduty steel spike into the ground, using your foot or a hammer to drive it in securely.
3. **Setting Up:**
  - Position the target stand in a safe area, ensuring it is stable and clear of obstacles.
  - Adjust the legs and ensure the stand is level before attaching your target.
4. **Using the Target Stand:**
  - Always ensure the target is securely attached before engaging in any shooting activities.

- Maintain a safe distance from the target stand when shooting.

#### 5. **Dismantling:**

- After use, carefully remove the target and disassemble the stand if necessary.
- Store the target stand in a safe location, away from children and pets.

## **Disposal Instructions**

- Dispose of the target stand in accordance with local regulations.
- If the stand is damaged beyond repair, consider recycling the steel components if possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the IDPA/IPSC Target Stands Folding Target Stand, please contact your local retailer or manufacturer. It is important to address any safety inquiries with a qualified professional.

Stay safe and enjoy your shooting experience!
