## Bentz Chambered For Improved Accuracy

Heavy contour, premium-grade "Bentz" chambered .22 LR barrel provides an immediate improvement in accuracy over your original factory barrel. Close-tolerance Bentz chamber combines the accuracy of a match grade chamber with the reliable cycling of a standard factory chamber. Extra-heavy, untapered .920" O.D. provides maximum stability for greater shot-to-shot consistency. Use with standard or match grade ammunition; not for use with CCI Stinger ammunition. Minor fitting to stock may be required. Chrome-moly models have blue finish and are available in an 18" length with dished crown or a 16 1/2" length with 1/2"-28 tpi threaded muzzle for adding a compensator. Stainless model available in smooth 18" long barrel or patented helical fluting for greater heat dissipation, less weight, and improved barrel harmonics. Both have dished crown. SPECS: 4140 chrome-moly steel blued, or 416 stainless steel (SS), natural matte finish. .920" (2.34cm) O.D. 18" long (45.7cm). Blued barrel w/threaded muzzle - 16?" (42cm) long. ?"-28 tpi thread.

## Attributes

- Name: [E.R. SHAW 10/22® THREADED TARGET BARREL, BLUED](#)

# **Safety Instruction Guide for RUGER® 10/22® TARGET BARRELS E.R. SHAW 10/22® THREADED TARGET BARREL, BLUED**

## **Introduction**

Thank you for choosing the RUGER® 10/22® TARGET BARRELS E.R. SHAW 10/22® THREADED TARGET BARREL, BLUED. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe and effective use.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with all local laws and regulations regarding firearms and accessories.
- Always treat the barrel as if it is loaded, even if you believe it is not.
- Keep the barrel and ammunition out of reach of children and unauthorized persons.
- Inspect the barrel regularly for any signs of damage or wear.
- Do not use the barrel with ammunition that is not specified in this guide, particularly avoiding CCI Stinger ammunition.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Only use the barrel with standard or match grade ammunition.
- Ensure proper fitting to the stock; minor adjustments may be necessary for optimal performance.
- Do not exceed recommended barrel lengths and specifications.
- Always follow proper firearm handling procedures when installing and using the barrel.
- Use appropriate safety gear, including eye and ear protection, when firing.

## **Instructions for Installation and Usage**

### **1. Installation**

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the original barrel from your RUGER® 10/22®.
- Align the E.R. SHAW 10/22® threaded target barrel with the receiver.
- Securely tighten the barrel to the receiver according to the manufacturer's specifications.
- If necessary, make minor adjustments to the stock for a proper fit.

### **2. Usage**

- Load the firearm with the appropriate ammunition.
- Ensure that the safety is engaged until you are ready to fire.
- When ready to shoot, disengage the safety and aim at a safe target.
- Maintain a proper shooting stance and follow all firearm safety protocols.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not throw away in regular household waste.
- If you are unsure about disposal methods, contact local authorities for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information included in the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your RUGER® 10/22® TARGET BARRELS E.R. SHAW 10/22® THREADED TARGET BARREL, BLUED.
