

SEVIGNY REAR SIGHTS for GLOCK® - Sevigny Competition

Used by numerous IDPA and USPSA National champions, as well as law enforcement professionals, these streamlined, steel sights are built for fast target acquisition. Designed to fit factory dovetails with little to no fitting required. Rear Sights have a non-serrated face and are available in plain matte black for optimal contrast in bright light. Drift-adjustable for windage, with a locking setscrew to hold the setting. Sevigny Carry has the same features as the Competition, plus rounded edges on the rear face to resist snagging on clothing during carry or unholstering.

SEVIGNY REAR SIGHTS Safety Instruction Guide

Introduction

Thank you for choosing the SEVIGNY REAR SIGHTS for GLOCK® Sevigny Competition. These sights are designed for fast target acquisition and enhanced performance in competitive shooting. This safety instruction guide provides important information to ensure safe use, installation, and maintenance of the product.

General Safety Guidelines

- Ensure that the product is used only with compatible models of GLOCK® handguns.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the sights clean and free from obstructions to ensure optimal performance.
- Check for any visible damage to the sights before use. Do not use if damaged.
- Store the sights in a safe location, away from children and unauthorized users.
- Regularly inspect the sights for wear or damage, especially after extensive use.

Specific Safety Precautions for Use

- Only use the SEVIGNY REAR SIGHTS as intended. Misuse can lead to accidents or injuries.
- When installing the sights, ensure that the firearm is unloaded and pointed in a safe direction.
- Avoid using excessive force when adjusting or installing the sights to prevent damage.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm equipped with the sights.
- If you experience any issues with the sights during use, stop using them immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory rear sight using a sight pusher or appropriate tool.
- Align the SEVIGNY REAR SIGHTS with the factory dovetail.
- Gently push the sights into place, ensuring they are seated properly.
- Use a locking setscrew to secure the sights in position.
- Adjust for windage as needed by drifting the sight left or right.

2. Usage:

- Familiarize yourself with the sight picture before engaging in live shooting.
- Practice target acquisition regularly to maximize effectiveness.
- Maintain proper grip and stance while aiming to ensure accuracy.
- Clean the sights regularly to maintain clarity and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not discard in regular household waste. Check for designated disposal sites for hazardous materials.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your shooting experience with the SEVIGNY REAR SIGHTS!
