

AR-15/M16 TWO-PIECE FOREND - MIDWEST INDUSTRIES TWO-PIECE CARBINE FOREND, BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Versatile, Easy To Install, Snap-On Forend Rails For Optics & Accessories

Carbine length, two-piece vented forearm snaps solidly in place and replaces factory plastic handguard with no gunsmithing, no permanent alterations to rifle. Each of the four MIL-STD 1913 Picatinny rails contains 15 mounting slots for optics, lasers, vertical grips, bipods, and lights. Two-piece design permits removal of lower section to install a grenade launcher or shotgun. Both pieces remove easily for cleaning and maintenance. Rails are laser etched with white alphanumeric position markings to aid in fast mounting and remounting of optics and accessories. Large vent holes allow plenty of air circulation for barrel. Models available to fit standard AR-15/M4 carbine.

User Safety Instructions for AR15/M16 TwoPiece Forend

Introduction

Thank you for choosing the AR15/M16 TwoPiece Forend from Midwest Industries. This product is designed to enhance your firearm's performance and usability. To ensure your safety and the safety of others, please read and follow the guidelines outlined in this manual carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are familiar with the operation and handling of your firearm.
- Use this product only with compatible firearms (standard AR15/M4 carbine).
- Store your firearm and accessories in a secure location away from children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of damage or wear.
- Follow all local, state, and national laws regarding the use and storage of firearms and accessories.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for mounting accessories on the Picatinny rails.
- Ensure that all mounted accessories are securely fastened before use.
- Be cautious of sharp edges during installation and maintenance.
- Always perform maintenance and cleaning in a safe environment, ensuring the firearm is unloaded.
- Use appropriate safety equipment (e.g., gloves, safety glasses) when handling the product.
- Avoid using the forend in extreme weather conditions that could affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Removing the Factory Handguard:

- Follow the manufacturer's instructions to safely remove the factory plastic handguard.
- Keep all components in a secure location for future reference.

3. Installing the TwoPiece Forend:

- Align the twopiece forend with the barrel and handguard cap.
- Snap the forearm into place, ensuring it is secure.
- Confirm that the lower section is properly attached before proceeding.

4. Mounting Accessories:

- Utilize the four MILSTD 1913 Picatinny rails for mounting optics, lasers, vertical grips, bipods, or lights.
- Ensure that each accessory is securely fastened and does not obstruct the operation of the firearm.

5. Cleaning and Maintenance:

- Remove both pieces of the forend for easy cleaning.
- Use a soft cloth and appropriate cleaning supplies to maintain the finish.
- Regularly check for any signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product is damaged beyond use, follow local guidelines for disposal of aluminum materials.
- Ensure that any used firearm accessories are disposed of safely to prevent accidents.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 TwoPiece Forend, please reach out to your retailer or manufacturer for assistance. It is important to ensure that you have access to support for safe and proper use of your product.

Thank you for following these safety instructions. Your safety and the safety of others depend on responsible handling and use of your firearm and its accessories.
