

# 1-PIECE COATED RIFLE CLEANING RODS - 338-50 CALIBER 56" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

One piece, coated spring steel cleaning rods push a brush or jag through the toughest fouling without bending. Dirt and grit won't cling to the proprietary, nonembedding coating for extra protection of your prized rifle's bore. The machined aluminum handle is slim enough to avoid contact with the stock when cleaning from the breech, while still comfortable and easy-to-grasp for excellent control. Bearings at each end of the handle let the rod rotate smoothly to keep the jag or brush fully in contact with the rifling. Color-coded handles help you make sure you pick up the correct-caliber rod. Each rod has a soft aluminum ferrule at the threaded end to help protect the breech or muzzle from damage.

## Attributes

- Name: [338-50 CALIBER 56" 8-32F CLEANING ROD](#)
- Manufacturer: [WESTERN POWDERS](#)
- Product no.: 100007976
- Mfr. No.: 9220
- Caliber: 50 Caliber (.500-.501)

# Safety Instruction Guide for 1Piece Coated Rifle Cleaning Rods

## Introduction

Thank you for purchasing the 1Piece Coated Rifle Cleaning Rods. This guide provides important safety information to ensure safe and effective use of the product. Please read this guide carefully before using the cleaning rod.

## General Safety Guidelines

- Ensure that the cleaning rod is suitable for the specific caliber of your rifle before use.
- Always handle the cleaning rod with care to avoid injury.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning rod for any signs of wear or damage before each use.
- Store the cleaning rod in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- Always wear safety glasses when cleaning your rifle to protect your eyes from debris.
- Do not force the cleaning rod through the bore of the rifle; if resistance is felt, stop and check for obstructions.
- Avoid using the cleaning rod with excessive force, as this may damage the rod or the rifle.
- Ensure that the cleaning rod is free of dirt and grit before use to prevent scratching the rifle's bore.
- Do not use the cleaning rod for any purpose other than cleaning your rifle.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including brushes or jags compatible with the cleaning rod.

### 2. Attaching the Brush or Jag:

- Select the appropriate brush or jag for your rifle caliber.
- Screw the brush or jag onto the threaded end of the cleaning rod until secure.

### 3. Cleaning Procedure:

- Insert the cleaning rod into the breech of the rifle, taking care to avoid contact with the stock.
- Push the brush or jag gently through the bore, allowing it to rotate smoothly.
- Pull the cleaning rod back out of the bore carefully.
- Repeat the process as necessary, ensuring that the cleaning rod remains free of debris.

### 4. PostCleaning:

- After cleaning, remove the brush or jag from the cleaning rod.
- Clean the rod with a soft cloth to remove any residue.
- Store the cleaning rod in a safe place.

## **Disposal Instructions**

- Dispose of any damaged cleaning rods or brushes according to local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged; check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the manufacturer's contact details found on the product packaging or website.

Thank you for following these safety instructions. Your safety and the proper care of your rifle are of utmost importance. Enjoy using your 1Piece Coated Rifle Cleaning Rods responsibly.
