

AR-15 PICATINNY XTM ENHANCED RAIL PANEL POLYMER - MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" BLK 4/PK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The XTM Enhanced Rail Panels are low-profile, two-piece covers that attach anywhere on a 1913 Picatinny rail without having to remove previously mounted accessories. Replacing the original XTM Panels, the Enhanced XTM Panels feature an aggressive anti-slip texture and dual-side routing clips for retention of light/laser cables. The design and reinforced material construction ensure the panels will remain in place under all operating conditions, but allows for easy removal using the tips of two rounds when necessary. Eight section will make four panels that cover one side of a carbine-length rail. Available in Black, Flat Dark Earth, and OD Green.

Attributes

- Name: [MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" BLK 4/PK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100009571

Safety Instruction Guide for AR15 Picatinny XTM Enhanced Rail Panel

Introduction

Thank you for choosing the AR15 Picatinny XTM Enhanced Rail Panel. This product is designed to enhance the functionality of your Picatinny rail system while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Use the product only for its intended purpose as specified in this guide.
- Regularly inspect the rail panels for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the Picatinny rail is clean and free from debris before installation.
- Do not force the rail panels onto the Picatinny rail; if they do not fit, check for obstructions.

• Usage Precautions:

- Avoid using the rail panels in extreme weather conditions that may affect their performance.
- Do not overload the rail panels with excessive weight or pressure.
- Regularly check the retention of light/laser cables to ensure they are secure.

• Maintenance Precautions:

- Clean the rail panels with a soft cloth and mild detergent; avoid harsh chemicals.
- Inspect the panels for any cracks or damage before each use.

• Storage Precautions:

- Store the rail panels in a cool, dry place away from direct sunlight.
- Do not stack heavy objects on top of the panels during storage.

Instructions for Installation and Usage

1. Installation:

- Clean the Picatinny rail where the rail panels will be attached.
- Align the rail panel with the desired mounting position on the Picatinny rail.
- Press the rail panel onto the rail until it clicks into place.
- Ensure that the panel is securely attached by gently tugging on it.

2. Usage:

- The rail panels can be used to cover one side of a carbinelength rail.

- Use the dualside routing clips to secure light/laser cables as needed.
- If removal is necessary, use the tips of two rounds to gently pry off the rail panel.

3. PostUse Inspection:

- After use, check the rail panels for any signs of damage or wear.
- Replace any damaged panels immediately to maintain safety.

Disposal Instructions

- Dispose of the rail panels in accordance with local regulations for plastic waste.
- Do not burn the product, as it may release harmful substances.
- If the product is damaged or no longer needed, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Picatinny XTM Enhanced Rail Panel, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to support for any safety inquiries or productrelated issues.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priority. Enjoy using your AR15 Picatinny XTM Enhanced Rail Panel responsibly!
