# Safety Instruction Guide for Lee Case Length Gauge and Shell Holder

## Introduction

Thank you for choosing the Lee Case Length Gauge and Shell Holder for .270 WSM. This product is designed to provide precision in trimming cases and squaring the case mouth. To ensure safe and effective use, please read the following safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any irregularities or defects, discontinue use immediately and report the issue.

## Specific Safety Precautions for Use

- Use the Lee Case Length Gauge only with the specified cartridges (.270 WSM) to avoid mishaps.
- Ensure that the workspace is clean and free of any obstructions to prevent accidents during use.
- Do not force the gauge or shell holder; if resistance is felt, stop and assess the situation.
- Follow all instructions provided with the Case Conditioning Kit, Cutter and Lock Stud, or 3 Jaw Trimming Kit when using them in conjunction with this product.
- Avoid using the gauge or shell holder if you are under the influence of alcohol or drugs.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components, including the Case Conditioning Kit, Cutter and Lock Stud, or 3 Jaw Trimming Kit.
- Ensure that your workspace is welllit and organized.

### 2. Installation:

- Attach the Lee Case Length Gauge securely to the appropriate trimming tool as per the manufacturer's instructions.
- Ensure that the shell holder is properly connected to the gauge to avoid misalignment.

### 3. Usage:

- Insert the case into the shell holder and ensure it is firmly seated.
- Adjust the trimming tool to the desired length as specified for .270 WSM cartridges.
- Begin trimming the case slowly, ensuring that the gauge remains stable and aligned throughout the process.
- After trimming, inspect the case mouth for any irregularities and ensure it is square.

### 4. PostUse:

- Clean the gauge and shell holder after each use to maintain their precision and longevity.
- Store the product in a dry, safe place away from children and pets.

## **Disposal Instructions**

- Dispose of any waste materials generated during the trimming process in accordance with local regulations.
- If the product is no longer usable, dispose of it responsibly by following local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Lee Case Length Gauge and Shell Holder, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for additional resources.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the Lee Case Length Gauge and Shell Holder. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these important guidelines.
