# Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION 7MM WSM PACESETTER FULL LENGTH SIZING 2DIE SET

## Introduction

Thank you for choosing the RIFLE 2 DIE SETS LEE PRECISION 7MM WSM PACESETTER FULL LENGTH SIZING 2DIE SET. This guide provides important safety instructions and guidelines to ensure safe and effective use of your die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Cartridge Compatibility:** Ensure that you are using the die set with the correct cartridge, which is 7 mm WSM (Winchester Short Magnum).
- **Work Environment:** Use the die set in a wellventilated area, free from flammable materials.
- **Handling of Components:** Handle all components, including bullets and powder, with care to avoid spills and accidents.
- **Avoid Overloading:** Do not exceed the recommended load data provided in the instructions.
- **Storage:** Store the die set in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Begin by securing the Full Length Sizing Die in your reloading press according to the manufacturer's instructions.
- Install the Bullet Seating Die in the same manner, ensuring it is tightened properly.

### 2. Using the Full Length Sizing Die:

- Insert the cartridge case into the shell holder and raise the ram of the reloading press.
- Adjust the die to achieve the desired sizing and lock it in place.
- Lower the ram to complete the sizing process.

### 3. Using the Bullet Seating Die:

- Place a bullet on the mouth of the cartridge case.
- Raise the ram to seat the bullet to the desired depth as indicated in the load data.
- Check the overall length of the cartridge after seating.

### 4. Cleaning and Maintenance:

- After use, clean the die set with a soft cloth to remove any residue.
- Store the die set in its original packaging or a suitable container to prevent damage.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading components in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or use of this product, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and following these instructions will help ensure a safe and enjoyable reloading experience.
