

# AR-15/M16 223 WYLDE CHROME LINED BARRELS - CRITERION BARRELS INC 16" HYBRID CONTOUR, CARBINE GAS SYSTEM, 223 WYLDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Chrome-lined, button rifled barrels feature 223 Wylde chambers and 1-8" twist for enhanced accuracy potential with both .223 and 5.56 NATO ammunition. Unique chrome-lining process maintains uniformity throughout the bore and hand-lapping helps ensure smooth, consistent lands and grooves. Gas ports are optimized for barrel length and chambering to help ensure reliable cycling, and are available for carbine, mid-length, and rifle gas systems. Also features 1/2"-28 tpi muzzle threads for standard comps and flash hiders, plus M4 feed ramps on barrel extension to aid in smooth, reliable feeding. Barrels now feature a dimple opposite the gas port, so screw-on gas blocks do not shift during firing. Hybrid contour barrels have a reduced and tapered contour under the handguard to save weight. HBAR contour barrels feature .870" diameter under the handguard for rigidity and extra heat absorption.

## Attributes

- Name: [CRITERION BARRELS INC 16" HYBRID CONTOUR, CARBINE GAS SYSTEM, 223 WYLDE](#)
- Manufacturer: [CRITERION BARRELS INC](#)
- Product no.: 100010179
- Mfr. No.: 15160-HY6
- Barrel Weight: 2.0005 lbs

# Safety Instruction Guide for AR15/M16 223 Wylde Chrome Lined Barrels

## Introduction

Thank you for choosing the AR15/M16 223 Wylde Chrome Lined Barrels from Criterion Barrels Inc. This guide provides essential safety instructions and information to ensure the safe use and handling of your barrel. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat the barrel as if it is loaded, even when not in use.
- Store the barrel in a secure location, away from children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when handling or shooting.
- Ensure that all ammunition used is compatible with the 223 Wylde chamber.
- Regularly inspect the barrel for signs of wear, damage, or corrosion.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the barrel.
- Do not attempt to modify the barrel or its components in any way.
- Use only manufacturer recommended accessories and attachments.
- Avoid using excessive force during installation to prevent damage to the barrel or firearm.
- Be aware of the potential for barrel overheating during extended shooting sessions.
- If you experience any malfunctions or unusual behavior while shooting, cease use immediately and inspect the barrel.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is pointed in a safe direction and is unloaded.
- Remove the existing barrel according to the manufacturer's instructions.
- Align the new barrel with the upper receiver and ensure it is seated properly.
- Secure the barrel in place using the appropriate tools and torque specifications.
- Install any necessary gas blocks or muzzle devices, ensuring they are properly aligned and secured.

### 2. Usage

- Use only .223 or 5.56 NATO ammunition with the 223 Wylde chamber.
- Always check the firearm for proper function before each use.
- Maintain a safe shooting distance from others and ensure a clear line of sight.
- After shooting, allow the barrel to cool before cleaning or handling.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, contact a local professional for proper disposal.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please refer to the manufacturer's website or contact their customer service directly.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15/M16 223 Wylde Chrome Lined Barrel. Always prioritize safety and responsibility in all your firearmrelated activities.
