

# BULK RIFLE AMMO CANS - MTM CASE-GARD AMMO CAN BULK AMMO 50 CALIBER POLYMER GREEN

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Cans](#)

Model: 50 Caliber Can MTM ammo cans are a great way to store bulk or boxed ammo. Its all-plastic design is lighter in weight than the 50 caliber US Military Surplus Ammo Can. Transferring ammo to and from the range, just became a little easier! Ideal for ammo storage. Molded out of rugged polypropylene plastic, these comfortably handled ammo cans will hold up to some pretty harsh treatment. Utilizing MTM's tongue and groove O-Ring seal system for a superior water-resistant seal, the 50 cal can is designed to fit the same amount of bulk ammo storage as the original. A heavy-duty dual latching system makes for a better seal and less likely to open accidentally. Double padlock tabs along with molded-in stacking ridges, make these solid containers the perfect solution to so many storage needs. Cartridge Capacity 1200rds of 5.56 1750rds of .40SW 250rds of 12ga 2.75 640rds of .308 1300rds of .45ACP 2200rds of 9mm Specs Inside Dim: 5.8"(L) x 11.0"(W) x 7.2"(H) Outside Dim: 7.4"(L) x 13.5"(W) x 8.5"(H) Model: Multi-Caliber Can Close in size to the Big 50 Cal Ammon box, this O-Ring sealed ammo can offers the perfect solution to so many storage needs. Made to carry anything from bulk ammo to decoy weights to pet food. Our Ammo Can easily handles 30 pounds of gear in an easy to transport package. It provides excellent, water resistant protection along with extraordinary durability. Molded out of rugged polypropylene plastic and has a comfortably handle holds up to some pretty rough treatment. The Ammo Can offers a heavy-duty dual latches for better sealing, double padlock tabs and molded-in stacking ridges for slip resistant stacking. Great for protection in basements, garages or storage sheds. The ammo can does not have a tray on the inside. Inside Dimensions: 7.3"(L) x 12.5"(W) x 7.3"(H) Inside space of 707 cubic inches Outside Dimensions: 9.3"(L) x 15.3"(W) x 8.8"(H)

# Consumer Safety Instruction Guide for BULK RIFLE AMMO CANS

## Introduction

Thank you for choosing the BULK RIFLE AMMO CANS by MTM CASEGARD. This guide provides essential safety information to ensure the safe use and storage of your ammo cans. Please read this guide carefully to understand the safety precautions, proper usage, and disposal instructions.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always store ammo cans in a cool, dry place, away from direct sunlight and extreme temperatures.
- Keep ammo cans out of reach of children and unauthorized users.
- Regularly inspect your ammo cans for any signs of damage or wear.
- Avoid overloading the ammo can beyond its specified capacity.
- Use the ammo can only for its intended purpose as specified in this guide.
- In case of any accidents or injuries, report them to the relevant authorities and seek medical assistance if necessary.

## Specific Safety Precautions for Use

When using the BULK RIFLE AMMO CANS, please observe the following safety precautions:

- Ensure that the ammo can is securely closed before transporting.
- Do not use the ammo can to store items other than ammunition or items specified in the product description.
- Always use the dual latching system to secure the lid properly.
- Avoid stacking heavy items on top of the ammo can to prevent crushing or damage.
- If using the ammo can to store items other than ammunition, ensure they are clean and dry to prevent contamination.
- Do not expose the ammo can to chemicals or corrosive substances.

## Instructions for Installation and Usage

To maximize the functionality and safety of your BULK RIFLE AMMO CAN, please follow these installation and usage instructions:

### 1. Choosing a Location:

- Select a stable, flat surface for storage.
- Ensure the area is wellventilated and free from moisture.

### 2. Loading the Ammo Can:

- Open the ammo can by releasing the dual latches.
- Place the ammunition or items inside the can, ensuring they are not packed too tightly.
- Close the lid and engage the dual latching system for a secure seal.

### 3. Transporting the Ammo Can:

- Use the handle to carry the ammo can, ensuring it is not overloaded.
- Avoid dropping or throwing the ammo can during transport.

#### **4. Stacking:**

- If stacking multiple ammo cans, ensure they are aligned properly.
- Use the molded in stacking ridges to prevent slipping.

#### **5. Cleaning and Maintenance:**

- Wipe the exterior of the ammo can with a damp cloth as needed.
- Avoid using harsh chemicals that may damage the plastic.

## **Disposal Instructions**

When it comes time to dispose of your BULK RIFLE AMMO CAN, please follow these disposal instructions:

- If the ammo can is damaged or no longer needed, check with local waste management guidelines for disposal.
- Do not dispose of the ammo can in regular household waste if it contains hazardous materials.
- Consider recycling the polypropylene plastic if local recycling facilities accept it.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided by the manufacturer. Ensure you have the product details available for a more efficient response.

By following these guidelines and instructions, you can ensure the safe use and longevity of your BULK RIFLE AMMO CANS. Thank you for prioritizing safety in your storage practices.
