ULTRASONIC CLEANING SOLUTION Safety Instructions

Introduction

Thank you for choosing the ULTRASONIC CLEANING SOLUTION. This product is designed to effectively dissolve oil, grease, and powder buildup, making it ideal for cleaning residue from actions, receivers, trigger assemblies, and other metal components. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Always read the label and follow the instructions provided.
- In case of an emergency, seek medical assistance immediately.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical advice if irritation persists.
- Use the product in a wellventilated area to minimize inhalation risk.
- Do not mix with other cleaning agents or chemicals.
- Do not ingest. If swallowed, do not induce vomiting; seek immediate medical help.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Ensure the container is tightly closed when not in use to prevent leakage.

Instructions for Installation and Usage

1. Preparation:

- Ensure all components to be cleaned are free from large debris.
- Prepare the ultrasonic cleaner according to the manufacturer's instructions.

2. Dilution:

- For optimal results, dilute the ULTRASONIC CLEANING SOLUTION as per the instructions on the label.

3. Cleaning Process:

- Fill the ultrasonic cleaner tank with the diluted solution.
- Submerge the items to be cleaned in the solution, ensuring they are fully covered.
- Set the ultrasonic cleaner to the recommended time and temperature settings.

4. PostCleaning:

- After the cleaning cycle is complete, carefully remove the items from the solution.
- Rinse the cleaned items with water to remove any residual cleaning solution.
- Dry the items thoroughly before use.

Disposal Instructions

- Dispose of any unused or expired product in accordance with local regulations.
- Do not pour the solution down the drain unless permitted by local waste disposal guidelines.
- Recycle the container if possible, following local recycling protocols.

Contact Information for Further Support

For any questions or concerns regarding the ULTRASONIC CLEANING SOLUTION, please refer to the packaging for contact details of the manufacturer. Always ensure you have the product information handy when seeking assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure safe and effective use of the ULTRASONIC CLEANING SOLUTION.
