

# V8 ATLAS BIPODS - ACCU-SHOT NO MOUNT V8 ATLAS BIPOD BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

ATLAS BIPOD V8 BIPODS Lightweight, aluminum bipod features durable stainless steel locking components and grippy rubber feet to give you a rugged, sure-footed shooting platform. Independently-adjustable, five-position legs extend from 5" to 9" and allow up to 180° of front-to-back adjustment. Pans 30° left or right for smooth target tracking, plus 30° of cant adjustment makes it easy to align your crosshairs, regardless of terrain. Available with three attachment options: a quick-detach Picatinny lever mount, a more permanent two-screw Picatinny mount, or a No-Clamp mounting option that fits any 17S size lever-style mount when using the proper adapter (sold separately), including the A.R.M.S. 17S, American Defense AD-170, Badger Ordnance TRAMP, or LaRue Tactical LT271.

# Safety Instruction Guide for V8 ATLAS BIPODS ACCUSHOT NO MOUNT

## Introduction

Thank you for choosing the V8 ATLAS BIPODS ACCUSHOT NO MOUNT. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the bipod. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the bipod is used for its intended purpose only, which is to provide stability and support for firearms during shooting activities.
- Always inspect the bipod for any signs of damage or wear before each use. Do not use if damaged.
- Keep the bipod out of reach of children and unauthorized users.
- Use the bipod in a safe environment, away from crowded areas and where shooting is permitted.
- Be aware of your surroundings and ensure no one is in the line of fire when using the bipod.
- Follow all local laws and regulations regarding the use of firearms and shooting equipment.

## Specific Safety Precautions for Use

- **Stability:** Ensure that the bipod is placed on a stable surface. Avoid using it on uneven or unstable ground.
- **Adjustments:** When adjusting the legs of the bipod, do so carefully to avoid pinching fingers or causing injury.
- **Attachment:** Use only the recommended attachment options for securing the bipod to your firearm. Ensure it is securely attached before use.
- **Handling:** Always handle the bipod with care. Avoid dropping or throwing it, as this may cause damage.
- **Weather Conditions:** Avoid using the bipod in extreme weather conditions that may affect its performance or your safety.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the bipod from its packaging. Inspect for any damage.
2. **Attachment:**
  - Choose the appropriate mounting option (quickdetach Picatinny lever mount, twoscrew Picatinny mount, or NoClamp mounting option).
  - If using the NoClamp option, ensure you have the correct adapter for your leverstyle mount.
  - Securely attach the bipod to your firearm according to the chosen method.
3. **Adjusting the Legs:**
  - Extend the legs to the desired height (5" to 9") and ensure they are locked in place.
  - Adjust the angle of the legs for optimal stability.
4. **Panning and Canting:**
  - Use the pan feature to track targets smoothly by rotating the bipod 30° left or right.
  - Adjust the cant by up to 30° to align your crosshairs accurately.
5. **Folding:** When not in use, fold the bipod legs for easy storage and transport.

## Disposal Instructions

- At the end of the product's life, dispose of it in accordance with local regulations.
- Do not dispose of the bipod with general household waste. Instead, check for recycling options or designated disposal facilities for aluminum and rubber materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the V8 ATLAS BIPODS ACCUSHOT NO MOUNT, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience while using the V8 ATLAS BIPODS ACCUSHOT NO MOUNT. Thank you for your attention to safety.
