

PMAG® AR/M4 GEN M3"! 5.56X45 NATO RIFLE MAGAZINE FOR AR-15 - PMAG GEN M3 5.56/.223 40RD FOR AR-15 BLK 10/PACK

Super-Durable & Ultra-Dependable PMAG Refined & Battle-Hardened By Combat Experience

The next-generation PMAG AR/M4 GEN M3 is a 30-round polymer magazine for AR15/M4 compatible weapons chambered in 5.56x45 NATO / .223 Remington. Along with expanded feature set and compatibility, the GEN M3 incorporates new material technology and manufacturing processes for enhanced strength, durability, and reliability that exceed rigorous military performance specifications. While the GEN M3 is optimized for Colt-spec AR15/M4 platforms, modified internal and external geometry also permits operation with a range of additional weapons, such as the HK® 416/MR556A1/M27 IAR, British SA-80, FN® SCAR™ MK 16/16S, and others. Similar to the MOE® PMAG, the GEN M3 features a long-life USGI-spec stainless steel spring for commonality, a four-way anti-tilt follower, constant-curve internal geometry for reliable feeding, and simple tool-less disassembly for easy cleaning. The PMAG GEN M3 also includes a redesigned bolt catch notch in the rear of the magazine that provides increased bolt catch clearance, while an over-travel stop on the spine helps ensure the magazine will not over-insert on compatible weapons. Low profile ribs and new, aggressive front and rear texture give positive control of the GEN M3 in all environments, and a paint pen dot matrix has been added to the bottom panel of the body to allow easy marking for identification. The new, easy to disassemble flared floorplate aids extraction and handling of the magazine while providing improved drop protection, but is slightly slimmer than before for better compatibility with tight double and triple magazine pouches. FEATURES 30 or 40-round reliability with no stoppages Easy Identification - Use the paint pen dot matrix to easily identify your different loads when it's crunch time Advanced follower- The anti-tilt, self-lubricating follower ensures a smooth feed and magazine reliability Slimline floorplate - Improved flared floorplate aids magazine handling and disassembly and is slim enough for use with many double and triple pouches Next-generation impact and crush-resistant polymer construction that includes constant-curve internal geometry for smooth feeding Modified dimensions allow for wider compatibility with non Colt-spec 'STANAG 4179' platforms Constant-curve internal geometry, over-travel insertion stop on the spine, and a long-life stainless steel spring ensure smooth feeding Made in the USA. SPECS Caliber: 5.56x45mm / .223 Remington Platform: AR15, M4, M16, SA-80 Capacity: 30 or 40 Rounds depending on magazine Weight: 5 oz. Length, max: 7.5 in. Compatibility: Wide compatibility with most 'STANAG 4179' platforms such as the AR15, M4, M16, SCAR MK16/16S, HK416, MR556, M27 IAR, IWI Tavor, and others

Attributes

- Name: PMAG GEN M3 5.56/.223 40RD FOR AR-15 BLK 10/PACK
- Manufacturer: MAGPUL
- Product no.: 100012635
- Mfr. No.:
- Action Type: Semi-Auto
- Capacity: 40-Round
- Cartridge: 223 Remington,5.56 mm NATO
- Finish: Black
- Make: AR-15
- Material: Polymer
- Quantity: 10
- Delivery weight: 1.814kg

Item details

Made in USA

PMAG AR/M4 GEN M3 Safety Instruction Guide

Introduction

Thank you for choosing the PMAG AR/M4 GEN M3! This safety instruction guide is designed to provide you with essential information regarding the safe use and handling of your magazine. Please read this guide carefully to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- **Product Safety:** Ensure that the PMAG AR/M4 GEN M3 is used in accordance with the manufacturer's guidelines to prevent any accidents or injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. Only adults should handle and operate firearms.
- **EU Contact Point:** For any safety inquiries, consult the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the PMAG AR/M4 GEN M3 is used only with compatible firearms, such as AR15, M4, M16, and other specified models.
- **Inspection:** Before use, inspect the magazine for any signs of damage or wear. Do not use if damaged.
- **Loading:** Follow the manufacturer's instructions for loading ammunition into the magazine. Do not exceed the specified capacity.
- **Handling:** Always treat the magazine as if it is loaded. Keep the magazine pointed in a safe direction at all times.
- **Storage:** Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cleaning:** Regularly clean the magazine to ensure proper functioning. Refer to the manufacturer's instructions for cleaning procedures.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Insert the ammunition into the magazine following the specified loading direction.
- Do not exceed the maximum capacity of 40 rounds.

2. Inserting the Magazine:

- Align the magazine with the firearm's magazine well.
- Firmly push the magazine into the well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and is on safe mode.
- Press the magazine release button to remove the magazine from the firearm.

4. Cleaning the Magazine:

- Disassemble the magazine according to the manufacturer's instructions.
- Use a soft cloth and appropriate cleaning solution to clean all components.
- Allow all parts to dry completely before reassembling.

Disposal Instructions

- **Disposal:** Dispose of any damaged or unusable magazines in accordance with local regulations. Do not throw them in regular trash.
- **Recycling:** Check with local recycling programs to see if the magazine can be recycled. Follow all local guidelines for disposal.

Contact Information for Further Support

For any further questions or support regarding the PMAG AR/M4 GEN M3, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your PMAG AR/M4 GEN M3 magazine. Always prioritize safety and comply with local laws and regulations regarding firearms and ammunition.
