WATERBRICK 3.5 GALLON 8 PACK Safety Instructions

Introduction

Thank you for choosing the WATERBRICK 3.5 GALLON 8 PACK. This guide provides essential safety instructions to ensure the safe use of your WaterBrick stackable water containers and food storage containers. Please read the following guidelines carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to store liquids or dry foods.
- Always inspect the containers before use for any signs of damage or wear.
- Keep the product out of reach of children when not in use.
- Do not overfill the containers beyond their capacity of 3.5 gallons or 27 pounds of dry food.
- Use caution when stacking containers to avoid tipping or falling.
- If you notice any leaks or defects, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- When handling the containers, use the easy grip comfort handle to prevent spills and accidents.
- Avoid exposing the containers to extreme temperatures, as this may affect their integrity.
- Do not use the containers for storing hazardous materials, chemicals, or any substances not intended for food or water storage.
- Ensure that the lid is securely fastened before moving or stacking the containers.
- Clean the containers regularly with mild soap and water to maintain hygiene.

Instructions for Installation and Usage

1. Setting Up the Containers:

- Place the containers on a flat, stable surface.
- Ensure that the area is free of obstacles to prevent accidents.

2. Filling the Containers:

- For liquids: Pour carefully to avoid spills. Do not exceed the 3.5gallon capacity.
- For dry foods: Fill the container up to the recommended weight limit of 27 pounds.

3. Stacking the Containers:

- Stack the containers securely to a maximum height of 4 feet.
- Ensure that the containers are aligned properly to prevent tipping.

4. Accessing Contents:

- Use the notched easy grip lid to open the containers.
- When retrieving stored items, do so gently to avoid spilling.

Disposal Instructions

- Dispose of the containers in accordance with local regulations regarding plastic waste.
- If the containers are damaged beyond use, consider recycling them if possible.

- Do not incinerate or expose the containers to high heat.

Contact Information for Further Support

For any safety inquiries or concerns regarding the WATERBRICK 3.5 GALLON 8 PACK, please refer to the product packaging for the EUbased contact information.

Final Notes

Your safety and satisfaction are our priorities. Please follow these guidelines to ensure a safe and effective experience with your WATERBRICK products. If you encounter any issues or have questions, do not hesitate to seek assistance from the appropriate channels. Thank you for your attention to these important safety instructions.
