# Safety Instruction Guide for PMAG® AR/M4 GEN M3 5.56X45MM NATO Rifle Magazines

## Introduction

Thank you for choosing the PMAG® AR/M4 GEN M3 5.56x45mm NATO Rifle Magazines. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the magazine.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model (AR15, M4, M16, etc.) before use.
- Always handle firearms and ammunition with care and follow all local laws and regulations regarding firearm ownership and usage.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage. Do not use if damaged.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe product experiences or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Before loading the magazine, ensure that your firearm is pointed in a safe direction and that the safety is engaged.
- Do not exceed the magazine's capacity (10 or 20 rounds) as indicated on the product specifications.
- Avoid using ammunition that is not compatible with the magazine, specifically only use 5.56mm/.223 Remington ammunition.
- Always ensure that the magazine is properly seated in the firearm before firing.
- When disassembling the magazine for cleaning, follow the provided guidelines to avoid injury.
- Do not attempt to modify or repair the magazine yourself. Contact a qualified professional for repairs.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing up.
- Insert the first round into the magazine, pushing down until it clicks into place.
- Continue loading rounds until the desired capacity is reached (10 or 20 rounds).

### 2. Inserting the Magazine into the Firearm:

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the well until it clicks into place.

### 3. Firing:

- Once the magazine is securely in place, disengage the safety.
- Aim at the target and fire as needed.
- Always be aware of your surroundings and ensure a clear line of fire.

### 4. Removing the Magazine:

- Point the firearm in a safe direction and engage the safety.
- Press the magazine release button and gently pull the magazine out of the firearm.
- Store or dispose of the magazine according to the guidelines below.

## **Disposal Instructions**

- If the magazine is damaged or no longer functional, dispose of it in accordance with local regulations regarding hazardous waste.
- Do not throw the magazine in regular household waste. Check for local recycling programs that accept polymer materials.
- Ensure that the magazine is completely emptied of ammunition before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the PMAG® AR/M4 GEN M3 5.56x45mm NATO Rifle Magazines, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your PMAG® AR/M4 GEN M3 5.56x45mm NATO Rifle Magazines. Thank you for prioritizing safety and responsibility in firearm usage.
